The College of the Arts at Valdosta State University includes the Department of Art, the Department of Communication Arts, the Department of Music, and the academic support unit ArtSouth, the outreach arm of the College. This organization of the disciplines of the performing arts, communication arts, and visual arts into one academic unit is unique in the University System of Georgia and reflects a traditional and continuing commitment by Valdosta State University to provide cultural enrichment in the lives of the students and other citizens of Georgia. The College of the Arts maintains a calendar of performing arts, visual arts, television, radio programming, and other arts activities that are available to students, faculty and the general public.

In addition, many of the performances and exhibitions created by the College of the Arts are presented off-campus in schools and communities of the region. Every Valdosta State University student is invited to explore membership in performance activities such as band, theatre, and other student organizations associated with the academic departments of the College and to enroll in courses, regardless of major.

Academic programs of the College of the Arts include professional preparation in music, art, theatre, speech, public relations, organizational communication, and telecommunications. Liberal arts programs with majors in arts disciplines are also available in several areas. Minors are offered in art and in speech communication. Degree offerings include the Bachelor of Fine Arts, the Bachelor of Music, the Master of Music Education, and the Master of Art Education degrees. The Bachelor of Arts degree with a major in art or in music is offered in conjunction with the College of Arts and Sciences. The Bachelor of Fine Arts degree with a major in art education and the Bachelor of Music degree with a major in music education are offered in conjunction with the College of Education.

Valdosta State University is an accredited institutional member of the National Association of Schools of Art and Design and of the National Association of Schools of Theatre. Also in the College of the Arts, programs in music are accredited by the National Association of Schools of Music. Teacher preparation programs at Valdosta State University meet Georgia certification requirements of the Professional Standards Commission and are accredited by the National Council for Accreditation of Teacher Education.
ACTIVITIES SPONSORED BY THE COLLEGE OF THE ARTS

Fine arts activities in each department of the College are open to participation by all students. These include:

The Wind Ensemble and Concert Band are VSU’s premiere wind/percussion ensembles and are open to all students by audition. Each ensemble presents several concerts each year with a repertoire ranging from baroque to contemporary for chamber ensembles and full symphonic band.

The Blazin’ Brigade Marching Band is one of the largest and most spirited student organizations on campus. In addition to performing at Blazer football games, the Brigade is often invited to perform for professional football games and in exhibition at some of the most prestigious high school marching festivals in the South. The band is open to all woodwind, brass, and percussion players without audition; auditions for color guard, dance line and majorettes are held each spring and summer.

The University Community Band offers students and members of the community with limited time an opportunity to perform the best in band literature. Rehearsing just once a week, the band is scheduled with the non-music major in mind and is open to all qualified musicians without audition.

The Jazz Ensemble is the principal ensemble for jazz performance majors and others by audition. The group performs various styles of big band jazz including swing, bop, Latin rock, funk, and fusion.

The Valdosta Symphony Orchestra is a professional orchestra-in-residence at VSU and includes a student component in its membership. All qualified students are eligible through audition. The orchestra annually presents a subscription season of four concerts, a youth concert series, regional performances, and special concerts for the community.

The 90-100 voice Concert Choir is open to all students without audition and performs 3-4 major concerts each year as well as a spring tour. The Chamber Singers is a 24-voice ensemble open to all university students by audition.

The Spotlighters is VSU’s vocal jazz ensemble. This 12-voice group is open to all students by audition.

VSU Theatre presents seven full-scale theatrical productions each year including period drama, musical theatre, theatre for youth, dance concerts, chamber theatre, original plays, and recent important works from the world of theatre. Participation in all aspects of VSU Theatre is open to all students.

The Department of Art Gallery, located on the first floor of the Fine Arts Building, presents an ambitious program of eight-nine exhibitions each academic year. Among the exhibits are works by artists of national and international rank, group exhibitions, a national juried show, Valdosta National, several student shows, and the annual art faculty exhibition. Openings and receptions are generally held for each exhibit; all university students are invited to attend the openings, meet the artists when they are present, and view the exhibitions during the scheduled hours of the gallery. Many students find the gallery a stimulating and exciting place to learn about art and its representation of life.
The Art Department has four comprehensive undergraduate degree programs, an Art Minor, and a Master of Art Education degree program, which is listed in the Graduate Catalog. The programs include the Bachelor of Fine Arts (BFA) with a major in studio art, the Bachelor of Fine Arts with a major in interior design, the Bachelor of Fine Arts with a major in art education, and the Bachelor of Arts with a major in art.

The BFA degrees with majors in art, interior design, and art education are professional degrees that prepare students for a variety of occupations or further educational experiences. The program of the Bachelor of Arts (BA) degree with a major in art allows the student the flexibility of designing a comprehensive liberal arts curriculum that may lead to graduate school or develop into entrepreneurial careers in the visual arts.

Each program of study has a sequentially based curriculum beginning the first semester of the freshman year, which includes foundation courses leading to advanced courses. Students who delay entering the major until completion of the Core Curriculum may prolong their academic careers. Students in each program have the opportunity to pursue in-depth study in one or more disciplines taught in the department. Some upper division courses may be repeated for advanced content to allow further development within the discipline. The total number of hours for each course may not exceed 9 hours of credit. Studio courses are scheduled as double period classes, and the purchase of art materials is required. All majors must earn a grade of “C” or better in all foundations (Area F), professional, and major classes. Thirty-nine semester hours must be earned at the 3000-level or above in each degree program. All students, including transfer students, must take ART 1030 3-D Design or pass a safety exam before taking studio courses in the major. The minor in art is designed for students with an interest in art or art history who do not wish to pursue a degree program in one of these areas of inquiry.

Valdosta State University is an accredited institutional member of the National Association of Schools of Art and Design.

BACHELOR OF FINE ARTS DEGREE WITH A MAJOR IN ART

This major leads to the Bachelor of Fine Arts and is a professional degree program, which can prepare the student for a variety of art and art related careers, provide the basis for further in-depth personal research and study, or prepare the student for graduate school. This is a 120-hour degree program.
Selected Educational Outcomes

1. Developing skill in solving problems of form and content in art through analysis and expression;
2. Acquisition of knowledge of historic and contemporary forms of visual art;
3. Acquisition of advanced skill in one or more areas of art production.

Core Curriculum Area A-E (See VSU Core Curriculum). ...................... 42 hours

Core Curriculum Area F. ........................................................................ 18 hours
  ARTH 1120, ART 1010, ART 1020 .............................................. 9 hours
  ART 1011, ART 1030, ART 2030 .............................................. 9 hours

Examples of Outcomes Assessments

1. Portfolio review
2. Senior exhibition review using a criterion based check sheet
3. Comparisons of transcript audit results with accreditation curriculum requirements
4. Rating scales on senior exhibition, artist's statements, and on a portfolio of art history research papers.

BACHELOR OF FINE ARTS WITH A MAJOR IN ART EDUCATION

This program leads to the Bachelor of Fine Arts with a major in art education and T-4 certification for grades P-12. This degree program recognizes the College of Education's Ten Conceptual Framework Principles and focuses on the Professional Standards for the Preparation of Art Educators as endorsed by the National Art Education Association. Advising for this degree program is to be done in the Art Department. However, admission to the Education Program and arrangements for the Opening School Experience and student teaching are made through the Office of the Dean of the College of Education. Students must meet all requirements established by the College of Education and the College of the Arts as published in this Catalog. This is a 132-hour degree program.
Prior to entering the BFA program as an art education major, students have: (1) passed PRAXIS I (or exemption via SAT, ACT, or GRE), (2) passed the Regents' Testing Program Exams (or exemption via SAT or ACT), (3) earned at least 30 semester hours of college credit with a cumulative GPA of 2.75 or better, (4) passed MSED 2000, ENGL 1101, and ENGL 1102 with a grade of “C” or better. Students in the BFA Art Education Degree Program must successfully complete the PRAXIS II exam prior to student teaching. Students must successfully complete the PRAXIS II exam and student teaching in order to be recommended for certification.

The BFA with a major in art education is designed to prepare students to be professional art educators who exhibit the competencies that follow:

Selected National Professional Standards for Art Educators

1. Draw on personal knowledge of art and student learning to enable students to learn to make art while promoting student understanding of how and why works of art are made; and to study, interpret and evaluate works of art.
2. Establish learning environments that are well organized, well designed, caring, challenging and safe places for students to actively learn and create.
3. Create, select and adapt a variety of curricular resources and materials that support students as they learn through and about art.
4. Work with colleagues to improve schools and advance knowledge and practices in their field and work with families to achieve common goals for the education of their children.

Core Curriculum Area A-E (See VSU Core Curriculum) ................................. 42 hours

  ARED 4070 and ARED 4090 ..................................................... 12 hours

Total hours required for the degree ........................................... 132 semester hours
  (including Health and Physical Education Requirements)
Examples of Outcomes Assessments

1. The Capstone experiences, including successful completion of student teaching, the passing of the PRAXIS II Exam for the Visual Arts, and earning certification upon graduation
2. Demonstration of professional skills and behaviors associated with visual arts and general education
3. Demonstration of proficiency in each of the national standards and core concepts associated with visual art teacher education.

Bachelor of Fine Arts with a Major in Interior Design

This degree curriculum focuses on the standards for professional interior design programs established by both NASAD (National Association of Schools of Art and Design) and FIDER (Foundation for Interior Design Education Research). The major is designed to offer learning opportunities structured to prepare the student for a variety of careers in the interior design profession or for graduate school. Students interested in this major are advised that the degree requires six major studios, which must be taken in sequence, one per semester. Major studios are offered in fall and spring semesters and require a minimum of three years to complete. Students should plan to be advised in the Art Department as soon as they identify an interest in this major. This is a 120-hour degree program. Students must apply to be admitted to the major based on a spring semester portfolio review of Area F courses and as Art Department resources permit.

All students, including transfer students, must have and maintain a minimum overall grade point average of 2.5 on a 4.0 scale after completion of 45 semesters hours of college credit.

Selected Educational Outcomes

1. developing skill in creative and critical thinking and problem-solving in response to visual, technical, aesthetic, and social aspects of inhabited spaces.
2. achieving competence in a number of media and techniques in order to effectively communicate design solutions graphically, in writing and through verbal presentations.
3. gaining an understanding of the history of art and design, including contemporary theories and works.
4. acquiring competence in analysis of information and relationships, evaluating issues and setting priorities as component elements of the process of generating creative design solutions for projects of any scale and complexity.
5. developing a significant sense of the principles, ethics and processes necessary to conceptualize and create interiors which are responsive to the intellect, the senses and the spirit of those who inhabit them and the greater context of the environment which contains them.

BACHELOR OF ARTS WITH A MAJOR IN ART

This major leads to the Bachelor of Arts degree. Students must meet all require-
ments set by the College of Arts and Sciences and the College of the Arts, including a
foreign language sequence. Students can take guided electives outside of art to develop
a minor in another discipline. This is a 120-hour degree program.

Selected Educational Outcomes

1. Development of skill in solving problems of form and content in art through
analysis and expression;
2. Acquisition of knowledge of historic and contemporary forms of visual art;
3. Development of a broad base of knowledge in the visual arts and other areas
of personal inquiry.

* The degree program must include a minimum of 39 hours at the 3000- or 4000-level.

Examples of Outcomes Assessments

1. Senior exhibition review using a criterion-based check sheet.
2. Rating scales on Senior Exhibition statements and on a portfolio of art history research papers.
3. Comparison of transcript audit results with curriculum accreditation requirements.
4. Review of program make-up (variety of courses) based on the liberal arts degree concept.
5. Portfolio review.

Minor in Art ........................................................................................................ 15 hours
  ARTH 1120 ................................................................................................. 3 hours
  ARTH and/or ART courses ......................................................................... 12 hours
  9 hours must be at the level or 3000 or above.

Selected Educational Outcomes

1. Students will develop skills in solving and/or analyzing problems of form and content in art through analysis and expression.
2. Students will acquire knowledge of historic and contemporary forms of visual art.
The Department of Communication Arts is a multidisciplinary department with programs that lead to a BFA degree with a major in theatre arts with tracks in traditional theatre, technical theatre, production, and dance, a BFA degree with a major in mass media with emphases in audio, video, and broadcast journalism, and a BFA degree with a major in speech communication with emphases in organizational communication, public relations, and general speech. The department also offers a minor in speech communication, a minor in mass media, and a minor in dance.

The programs in the department are designed to give the student the basic knowledge, skills, and values that build upon the foundation provided by the University Core Curriculum and that are required for professional careers in theatre performance and management, radio and television, public relations, personnel management, public presentation, and dance. Moreover, the department’s programs stress the importance of critical thinking skills, an appreciation for diverse cultural perspectives, and the application of knowledge to the specific areas found in the department. The Bachelor of Fine Arts is a professional degree, preparing students for immediate impact in their careers.

Valdosta State University is an accredited institutional member of the National Association of Schools of Theatre.

**GRADE POINT AVERAGE REQUIREMENT FOR THE BFA WITH A MAJOR IN SPEECH COMMUNICATION AND THE BFA WITH A MAJOR IN MASS MEDIA**

Students entering the University directly from high school may declare a major in speech communication or in mass media. In order to continue as majors, students must maintain a GPA of 2.25 or better on all course work undertaken. If in any given semester a student’s overall GPA falls below 2.25, the student will have one semester (fall or spring) to bring it back up to or above 2.25. If the overall GPA remains below 2.25 for two consecutive semesters, the student will be requested to change majors. Any student who fails to respond to that request will automatically be transferred to an undeclared major status.

Students who enter the University as transfer students who wish to declare a major in speech communication or mass media must have a GPA of at least 2.25 on all course work undertaken. Upon acceptance as a major, a student must maintain an overall 2.25 GPA as described above.

Students changing majors from another program within the University must also have at least a 2.25 overall GPA to transfer to the speech communication or mass media major, and they will be subject to the same maintenance requirements already described.
BACHELOR OF FINE ARTS DEGREE WITH A MAJOR IN
SPEECH COMMUNICATION

Selected Educational Outcomes

1. The speech communication major will demonstrate skill in the use of the materials and methods of communication and expression appropriate to the area of emphasis.

2. The speech communication major will demonstrate understanding of the theories and practices of interpersonal, intercultural, small group, and public communication.

3. The speech communication major will demonstrate skill in the analysis of the communication needs of clients and in the design and implementation of programs to satisfy those needs.

   ANTH 3040, ANTH 4040, GEOL 3410,
   HIST 4240 .............................................. 6 hours

Total hours required for the degree .............................................. 120 semester hours

The Department assesses the extent to which the program requirements create the desired outcomes by using a variety of techniques. Examples of these assessments (and related educational outcomes) include the following:

   Examples of Outcomes Assessments

1. General Speech Communication: COMM 4340. Students must develop a training program in interpersonal communication targeted for specific clients. The programs include research extending the theories and skills learned in the emphasis.

2. Public Relations: COMM 4230. Students must select an organization, define a public relations problem facing that organization, and design a public relations program to solve the problem, including research needed, construction of a public relations plan, implementation steps, communication of the plan, and evaluation of the plan’s success.

3. Organizational Communication: COMM 4420. Students must conduct a communication audit for an area business or non-profit entity, report to the entity on the audit, and write a summary report with an oral presentation given during the course.
BACHELOR OF FINE ARTS DEGREE WITH A MAJOR IN THEATRE

Selected Educational Outcomes

1. Students will acquire a cultural and historical perspective appropriate to their emphasis.
2. Students will develop the ability to interact and problem solve with colleagues as group participants and leaders.
3. Students will develop acting, technical, and design skills, based on the career goals of the individual student.
4. Students will acquire knowledge of professional opportunities for employment.

Core Curriculum Areas A-E (See VSU Core Curriculum).................... 42 hours
Theatre and Dance students are advised to take either THEA 1100 or DANC 1500 in Area C.

Examples of Outcomes Assessments

Concluding curricular experiences for the theatre student will include:
   1. Participation in professionally oriented theatrical productions.
   2. Development of materials geared to individual student’s professional career goals or post graduation plans.
   3. A capstone portfolio presentation exhibiting advanced technical, design, or performances skills and assessing personal strengths and weaknesses.

Concluding curricular experiences for the dance student will include:
   1. Exhibiting advanced performance and choreographic skills.
   2. Participation in professionally oriented dance and theatrical productions.
   3. Developing materials geared to individual student’s professional career goals for post-graduation plans.

Concluding curricular experiences for the musical theatre student will include:
   1. Participation in professionally oriented musical theatre productions.
   2. Development of materials geared to individual student’s professional career goals for post-graduation plans.
   3. A capstone portfolio presentation exhibiting advanced performance skills in the area of musical theatre and assessing personal strengths and weaknesses.

  Students must complete 6 hours of language
  study as described in the catalog’s “Foreign
  Language Requirement” section; students
  should take both courses in the same language.
Guided Electives ..................................... 14 hours
  Must include the following prerequisite
  courses if not taken in the Core:
ANTH 1102 and GEOG 1102

Total hours required for the degree .......................... 120 semester hours

Examples of the Outcomes Assessments

Concluding curricular experiences for the major will include:

1. Participation in professionally oriented broadcast media program productions
2. Development of materials geared to the individual student’s professional career goals or post graduation plans;
3. A capstone portfolio presentation exhibiting advanced technical or performance skills and assessing personal strengths and weaknesses.

Institutional Cross-training Certificate
for Journalism and Mass Media Students

To earn a institutional certificate, students who are earning a minor or major in mass media will be required to pass the following courses with a grade of “C” or better:

JOUR 3510 News Writing
JOUR 3520 (1 hr) Essential Reporting Skills
JOUR 4510 or 4520 or 4550 Feature Writing, Literary Journalism, Reporting

To earn a institutional certificate, students who are earning a minor in print journalism or who are majoring in English with a journalism emphasis will be required to pass the following courses with a grade of “C” or better:

MDIA 3050 Broadcast Performance and Announcing
MDIA 3500 Broadcast News Writing
MDIA 4960 (1-2 hrs) Performance and Production Workshop
Minor in Speech Communication. .......................................................... 18 semester hours

DANC 3300, DANC 3600, DANC 3700, DANC 3800,
or DANC 4000
The Department of Music offers three comprehensive undergraduate degree programs and Master of Music Education and Master of Music in Performance degrees, which are listed in the Graduate Catalog. The undergraduate degree programs are the Bachelor of Music with a major in music education, the Bachelor of Music with a major in music performance, and the Bachelor of Arts with a major in music. The Bachelor of Music degrees with majors in music performance and in music education are professional degrees that prepare students for a variety of career opportunities and further educational experiences. The Bachelor of Arts with a major in music allows students the flexibility of designing a comprehensive liberal arts curriculum that may lead to graduate school or develop into entrepreneurial careers in music. Each program of study has a sequentially based curriculum beginning in the first semester of the freshman year. Students who delay starting these course sequences until completion of the Core Curriculum may prolong their academic careers.

All new students who intend to pursue an undergraduate degree in music must audition for a faculty committee for the purpose of being placed in the appropriate applied music sequence course. Transfer students must take a placement exam in music theory and must also audition for a faculty committee for the purpose of being placed in the appropriate applied music and music theory sequence courses.

Ensemble participation is a vital part of the training of the professional musician. In addition to their own academic function, the principal ensembles of the Department of Music serve as the laboratory courses for the study of applied music. Therefore, students pursuing music degrees at VSU are required to register for and perform in the assigned principal ensemble each semester they are registered for applied music, regardless of the total number of principal ensemble credits required for the degree. Petitions for deviation from departmental policy must be submitted to the Department Head in timely fashion and will be considered by a committee composed of the faculty of the Department of Music, subject to decision by the Department Head.

The Department of Music is accredited by the National Association of Schools of Music.

Concert Choir (MUSC 3820). Principal ensemble in fall and spring semesters for voice, guitar, and keyboard principals in all undergraduate music degree programs. (In some cases, piano and guitar principals may be assigned by the Department Head to a different principal ensemble.)

Orchestra (MUSC 3860). Principal ensemble in fall and spring semesters for string principals in all undergraduate music degree programs.

Concert Band (MUSC 3850) or Wind Ensemble (MUSC 4850) by audition. Principal ensemble in spring semester for wind and percussion principals in all undergraduate music degree programs except for those music performance majors whose degree option is jazz performance.
Marching Band (MUSC 3880). Principal ensemble in fall semester for wind and percussion principals in the Bachelor of Music Education and Bachelor of Arts degree programs.

Wind Ensemble (MUSC 4850) by audition. Principal ensemble in fall semester for all wind and percussion principals in the Bachelor of Music Performance degree program except those whose degree option is jazz performance.

Jazz Ensemble (MUSC 3870). Principal ensemble in fall and spring semesters for music performance majors whose degree option is jazz performance.

APPLIED MUSIC: PRIVATE LESSONS

Private music lesson courses are categorized as Major, Principal, Secondary, or Minor. Students enrolling in Applied Music are assigned an instructor by the Head of the Department of Music, and assignments are posted in the Department on the day following registration. Students must arrange for a lesson time with the assigned instructor by the end of the second day of classes. Students not scheduled by the end of the second day of classes will be dropped from the course.

Major Applied

Students register for 4 hours credit per semester for two 50-minute private lessons per week. Requirements include attendance at master classes arranged by the instructor, a student recital performance each semester, a final examination performance for a faculty jury at the end of each semester, and attendance at student recitals and other designated events. During the junior year of study, the student presents a Junior Recital consisting of a 20-minute to 30-minute performance. During the senior year of study, the student presents a Senior Recital consisting of a performance of 40 to 60 minutes. Junior and Senior Recitals must be approved by a faculty committee appointed by the Head of the Department of Music. This faculty committee will hear the entire proposed recital no more than 3 weeks before the performance date in a formal recital hearing and will approve or disapprove the public performance. If memorization is required for the recital, the hearing must also be memorized. Normally, only students who are pursuing a Bachelor of Music Degree with a major in music performance may enroll in Major Applied level courses. Exceptions must be approved by the Head of the Department.

Principal Applied

Students register for two credits per semester for one 50-minute private lesson per week. Requirements include attendance at master classes arranged by the instructor, a student recital performance each semester, a final examination performance for a faculty jury at the end of each semester, and attendance at student recitals and other designated events. During the senior year of study, the student presents a Senior Recital consisting of a 20-minute to 30-minute performance. The Senior Recital must be approved by a faculty committee appointed by the Head of the Department. This faculty committee will hear the entire proposed recital no more than 3 weeks before performance date in a formal recital hearing and will approve or disapprove the public performance. If memorization is required for the recital, the hearing performance must also be memorized. Normally, only students pursuing the Bachelor of Music with a
major in music education or the Bachelor of Arts with a major in music degrees may enroll in Principal Applied level courses. Exceptions must be approved by the Head of the Department.

Secondary Applied

Students register for one credit hour per semester for one 25-minute lesson per week. Requirements will be determined by the instructor. Secondary applied lessons are available to any student regardless of major, depending on the availability of faculty, but Secondary Applied level credits may not be used to satisfy the Major Applied or Principal Applied requirements.

Minor Applied

Students pursuing the Minor in Music register for one credit hour per semester for one 25-minute lesson per week. Requirements are determined by the instructor. Minor applied lessons are available to any student regardless of major, depending on the availability of the faculty, but Minor Applied level credits may not be used to satisfy the Major Applied or Principal Applied requirements.

Principals and majors register for lower division numbers unless they qualify for upper division work. This qualification will normally occur after 4 semesters of study, based on approval by a faculty committee.

Course numbers may be repeated indefinitely until the required number of semesters has been completed. This number varies according to degree program requirements.
The Bachelor of Music with a major in music education is a 132-hour degree program designed to enable students to develop the range of knowledge, skills, and competencies expected of those holding a professional baccalaureate degree in music education. This degree leads to NT-4 Certification for grades P-12. Students must be admitted to the Teacher Education program in the College of Education prior to enrolling in professional sequence courses: MUSC 3650, MUE 3600, MUE 4600, MUE 4610. Advising of students pursuing this program is done in the Department of Music by departmental faculty. However, admission to the Teacher Education program and arrangements for Preservice Field Experience and Student Teaching are made through the Office of the Dean of the College of Education. Students must meet all requirements established by the College of Education and the College of the Arts as published in this catalog. These include passage of the Music Education barrier and admission to the Teacher Education Program of the College of Education.

Selected Educational Outcomes

1. Acquire foundational perspectives in educational philosophy, psychology, sociology, and history.
2. Develop skills in and functional knowledge of conducting, rehearsing, and wind, string, fretted and percussion instruments and/or voice performance.
3. Develop the ability to apply analytical and historical knowledge to curriculum development, lesson planning, and daily classroom and performance activities.
4. Develop skills in assessment and evaluation strategies.
5. Acquire the ability to teach music at various levels to different age groups and in a variety of classroom and ensemble settings.

Examples of Outcomes Assessments

1. Cooperating teacher and University supervisor evaluations of student teaching.
2. Admission to junior standing on the principal instrument or voice, and in music education.
3. A state or national teacher examination.
4. Evaluation of teaching and music competencies by appropriate faculty.
BACHELOR OF MUSIC WITH A MAJOR IN MUSIC PERFORMANCE

The Bachelor of Music with a major in music performance is a 124-hour professional degree program that prepares students for a variety of music, music performance, and music-related careers. It also provides the basis for further personal study or graduate school.

Students may select from a variety of different performance tracks within the Bachelor of Music with a major in music performance depending upon instrumental or voice performance specialty. These tracks include piano, organ, voice, orchestral instruments, guitar, and jazz.

The Bachelor of Music with a major in music performance is designed to enable students to develop the range of knowledge, skills, and competencies expected of those holding a professional baccalaureate degree in music performance.

Selected Educational Outcomes

1. Acquire knowledge and performing/composing ability of appropriate solo and ensemble literature.
2. Acquire knowledge and practical application ability of appropriate theoretical and aural skills.
3. Acquire experience with the fundamentals of music pedagogy.
4. Develop the ability to apply analytical and historical knowledge of activities related to music performance.

Requirements for the Bachelor Of Music Degree with a Major In Music Performance

* See University Foreign Language Requirements
Examples of Outcome Assessments

1. Evaluation of performance/composition skills and competencies by appropriate faculty.
2. Admission to junior standing on the principal instrument or voice.
3. Alumni response in relation to achieving postgraduate career goals.

BACHELOR OF ARTS WITH A MAJOR IN MUSIC

The Bachelor of Arts degree with a major in music is a 120-hour liberal arts degree program. Students must meet all requirements established by the College of Arts and Sciences and the College of the Arts including a foreign language sequence. Students may select guided electives outside of music to develop a minor in another discipline.

Selected Educational Outcomes

1. Functional knowledge of the elements of musical construction.
2. Conceptual understanding of the literature and historical development of music in Western civilization and of the function of music in world cultures.
3. Demonstrated musical independence through instrumental or vocal solo and ensemble performance.
4. Broad interests in liberal arts or minor studies.

The College of Nursing offers programs that lead to a Bachelor of Science in Nursing degree (B.S.N.) and a Master of Science in Nursing degree (M.S.N.).

The baccalaureate program in the College of Nursing is designed to give the student the basic knowledge, skills, and values that build upon the foundation provided by the University Core Curriculum and that are required for professional careers in nursing. Moreover, through a series of sequenced courses, the College of Nursing prepares the student for advanced study in nursing. The curricula adhere to a systemic approach which emphasizes the connections between the concepts of Holism, Caring, Competence, Health, and Teaching/Learning. The College offers a special track for Registered Nurse applicants leading to the B.S.N. or to both the B.S.N. and M.S.N. Please contact the college directly for information about this pathway.

The College’s programs stress the importance of critical thinking skills, an appreciation for diverse cultural perspectives, and the application of knowledge to address policy disputes and social problems related to health care. The program leading to the baccalaureate degree in nursing is approved by the Georgia Board of Nursing. This program provides a major measure of eligibility for the national licensing examination in nursing, leading to use of the title Registered Nurse. Applicants who have a conviction for a felony may not be eligible for licensure; it is recommended that these applicants consult with the Dean of the College before seeking entrance to the program. Both the bachelor’s degree (BSN) and the master’s degree (MSN) programs in the College of Nursing are accredited by the Commission on Collegiate Nursing Education [One Dupont Circle, NW, Suite 530, Washington, DC 20036, Telephone: 202-887-6791 Fax: 202-887-8476].

Students may have the opportunity to gain work experience relating to their major, clarify their career goals, and earn money to help finance their education through the VSU Cooperative Education Program. Co-op students are placed, on a competitive basis, in work assignments within health care institutions. Interested students should contact the VSU Office of Cooperative Education. Telephone 229-333-7172.
B.S. DEGREE WITH A MAJOR IN NURSING

Selected Educational Outcomes

1. Synthesize theoretical, empirical, and experiential knowledge gained from the sciences, humanities, and nursing in competent nursing practice.
2. Utilize critical thinking and effective communication to assist individuals, families, and communities to attain and maintain optimal health.
3. Meet the dynamic, holistic health needs of unique and culturally diverse individuals, families, and communities throughout the life cycle.

Examples of Outcomes Measurements

1. Presentation of a senior paper and achievement on a nationally normed competency examination.
2. Senior project presentation and achievement on a nationally normed competency examination.
3. Measurement will occur throughout the program during clinical evaluation and at the end of the program by achievement on a nationally normed competency examination.

Requirements for the Bachelor of Science in Nursing Degree

NURS 3211 .......................................................................... 6 hours
NURS 3221 .......................................................................... 6 hours
Senior Level 1st semester
NURS 4100 ............................................................. 3 hours
NURS 4112, NURS 4122 ...........................................12 hours
2nd semester
NURS 4210 ............................................................. 6 hours
NURS 4220 ............................................................. 3 hours
NURS 4230 ............................................................. 6 hours
Total hours required for the degree .............................................. 120 semester hours

Special Admission Requirements

1. Deadlines for completed applications for the College of Nursing:
   February 15 for Fall Semester   September 15 for Spring Semester
2. Minimum cumulative GPA of 2.8 in the 60 semester hours of Core Curriculum
   courses required for the nursing major. (ONLY required core courses will be
   used to calculate the GPA.)
4. Minimum of “C” in each science course (each science course may be repeated
   one time only)
5. Documentation of current health, accident, and malpractice insurance.
6. Evidence of current physical exam, TB testing, Hepatitis B vaccine, CPR, Vari-
cella titer, Negative Drug screen, MMR, and Tetanus
7. Students who drop a nursing course or attain a final grade of less than a “C” in
   a nursing course and who wish to continue in the program must apply to the
   College of Nursing for readmission to the courses that were dropped or unsuc-
   cessfully completed. Applications for readmission must be received in the
   College of Nursing one week prior to the first day of class of the planned re-
   entry term. A limited number of students can be accommodated in the clinical
   area; hence, readmission will be partially dependent on the number of enrolled
   students progressing to the desired courses.

Special Retention Requirements

1. Documentation (due the first day of class) of a current physical examination by
   a medical physician or nurse practitioner that must include but is not limited to
   the following:
   a. physical exam   b. TB testing   c. Tetanus
   d. Hepatitis B vaccine   e. Varicella titer   g. Negative Drug screen
2. Only one nursing course may be repeated. Failure to achieve a grade of “C” or
   better in a repeated nursing course or in any subsequent nursing course con-
   stitutes dismissal from the program.
3. A minimum grade of “C” must be maintained in all nursing courses.
4. Documentation of current certification in CPR for health professionals (Ameri-
   can Red Cross or American Heart Association); due the first day of classes.
5. Documentation of current malpractice insurance with minimum coverage of
   $1,000,000/$3,000,000 (due the first day of class).
6. Regular activities that must be able to be performed to be retained in the nursing program:
   a. stand for long periods of time;
   b. work at a fast pace for long periods of time;
   c. lift heavy objects (25 lbs. or more) three or more times each day;
   d. speak clearly and distinctly;
   e. work alternating shifts of 8 to 12 hours on days, evenings, or nights;
   f. respond appropriately to stressful situations (physically, emotionally, and mentally) and in emergency situations;
   g. communicate effectively with physicians, patients, staff, and patient families;
   h. write clearly and neatly in patient’s charts and other legal documents;
   i. hear a nurse call bell;
   j. hear telephone and have the ability to accurately take orders over the telephone;
   k. hear sounds with stethoscope to assess blood pressure, heart rate, lung, vascular, and abdominal sounds;
   l. hear a patient calling for help;
   m. hear beepers, alarms, et cetera requiring a rapid response;
   n. read very fine or small print on medication containers;
   o. see nurse call or emergency lights;
   p. visually assess patients appropriately;
   q. read and interpret physician’s orders;
   r. read monitors and other equipment accurately;
   s. demonstrate manual dexterity to don sterile gloves and gown;
   t. demonstrate manual dexterity to prepare medications aseptically whether orally, I.M., S.C. or I.V.
   u. demonstrate manual dexterity to use sterile techniques when performing activities such as insertion of catheters, IV’s, et cetera; and
   v. demonstrate ability to utilize equipment and instruments needed to carry out patient care.

Special Graduation Requirements

1. Must have earned at least a “C” in all nursing courses, with a maximum of one failure.
2. Satisfactory completion of courses required for the nursing major.
3. Successful achievement of the program objectives.
The College of Nursing offers an innovative program for R.N. students, the R.N. Preference Pathway, which allows R.N. students to pursue the B.S.N. degree and complete the degree requirements in one academic year. Please contact the college directly for information about this pathway.

Requirements for the Bachelor of Science in Nursing Degree–R.N.-B.S.N. Pathway

Core Curriculum, Areas A-E (See VSU Core Curriculum) ................. 42 hours
Nursing students must take the science requirements noted for Area D.2.b.

Core Curriculum Area F ............................................................. 18 hours
- BIOL 2651, BIOL 2652, BIOL 2900 ...................................... 12 hours
- Nursing Elective ................................................................. 3 hours
- MATH 2620 * ................................................................. 0-3 hours
- Guided electives selected from ........................................... 3-9 hours
  - PSYC 2700, SOCI 1101**, PSYC 2500**

* Students are strongly encouraged to take MATH 2620 in area D.2.b of the Core.
** Students are strongly encouraged to take SOCI 1101 and PSYC 2500 in area E of the Core.

Senior College Curriculum ........................................................................ 60 hours

1st semester
- NURS 3220 ................................................................. 5 hours
- NURS 3150 ................................................................. 3 hours
- NURS 4060 ................................................................. 4 hours
- NURS 4400 ................................................................. 3 hours

2nd semester
- NURS 4100 ................................................................. 3 hours
- NURS 4220 ................................................................. 3 hours
- NURS 4230 ................................................................. 6 hours
- NURS 4250 ................................................................. 3 hours
- Guided Elective .............................................................. 3 hours

Students meeting the requirements of the Georgia R.N. Articulation Agreement may receive a minimum of 27 semester hours of NURS credit to complete the total number of 120 hours required for the B.S. N. degree ......................................................... 27 hours

Total hours required for the degree ........................................... 120 semester hours
Nutritional Science Minor

Nutritional science is an academic discipline that offers an intellectual approach to the study of nutrition as it contributes to health promotion by primary, secondary, and tertiary prevention. The study of nutritional science provides accurate assessments of the roles of functional foods and nutrients as they affect and are affected by humans’ intellectual, biological, psychological, social, cultural, environmental, economic, and spiritual being. This minor includes the integration of holistic health concepts with alternative and complementary healing practices and contemporary medical regimes. This minor offers students the opportunity to explore research demonstrating the importance of nutritional balance (variety, moderation, and activity) to quality of life and holistic health. The nutritional status of Americans is compared and contrasted to other environments and cultures around the globe. The minor encourages the acquisition of practical experiences, the development of intellectual expertise in various aspects of nutritional science, and initiation of creative interventions to facilitate and motivate behavioral changes related to nutritional problems and diseases, such as obesity, diabetes, cardiovascular disease, cancer, and osteoporosis.

Minor in Nutritional Science ................................................................. 15-18 hours
NUTR 3100, NUTR 4000 ................................................................. 6 hours
Elective courses from the following ................................................ 9 hours
NURS/NUTR/WMST 3030 NUTR 3300
NUTR 3900 NUTR 3910
NUTR 3350 NURS/NUTR 3990
NUTR 4100 NUTR 4350
NUTR 4900 NUTR 4950

Selected Educational Outcomes

Students:

1. gain familiarity with the scope of nutritional science as an academic area and the research that is conducted in the field.
2. develop an appreciation for the complexities of nutritional processes and the significance of nutrition to life long health and productivity.
3. are enabled to take greater responsibility for their own nutritional choices in pursuit of holistic health.
4. assess and evaluate nutritional status and plan the implementation of appropriate interventions for optimal well-being.
5. demonstrate a commitment to outreach by sharing nutritional expertise with individuals, families, and communities.
Air Force Reserve Officer Training Corps (ROTC) offers students a course of study designed to complement their individual academic major. This program is designed to commission young men and women as second lieutenants into the active duty Air Force upon completion of a bachelor's degree and ROTC requirements. Students take one academic aerospace studies course and a leadership laboratory each semester to receive hands-on leadership and management practice. Cadets enrolled in the program represent a broad cross-section of the student body. By taking AFROTC, a student/cadet has an opportunity to explore and evaluate Air Force career opportunities while earning a college degree. Completion of the ROTC curriculum is the initial step in the education of the professional officer and provides a firm understanding of aerospace concepts, the Air Force mission, organization, and operation. A commission as an officer in the United States Air Force is tendered only after Valdosta State University grants the bachelor's degree.

General Program

The Air Force ROTC program consists of two phases: the General Military Course (GMC) and the Professional Officer Course (POC). Each phase requires four semesters of study on campus. The GMC courses taken during the freshmen and sophomore years deal primarily with building a foundation for the Air Force way of life, such as developing customs and courtesies and learning proper uniform wear, as well as understanding various Air Force organizations and their missions. Finally, a deeper understanding of the history of the Air Force is taught in the sophomore year. General Military courses meet two and one-half hours each week; one hour in the classroom and one and one-half hours in Leadership Laboratory (AS 1000). During the junior year, the Professional Officer Course emphasizes student involvement in learning and practicing leadership and management techniques. The senior year courses deal extensively with political, economic, and social factors relating to the formulation and implementation of national security policy. Communicative skills are stressed throughout the entire ROTC curriculum. The junior and senior cadets meet for four hours each week: two and one-half hours in the classroom and one and one-half hours in Leadership Laboratory (AS 1000). Additionally, cadets participate in a mandatory physical fitness program a minimum of two hours per week. This training is incorporated into AS 1000 Leadership Laboratory and must be accomplished in order to successfully complete the course. All cadets wear their uniforms all day on Leadership Laboratory days and POC students must also wear their uniform to their Aerospace Studies classes.

All students must complete a field training course conducted at an active Air Force base during the summer months. There are two types of courses available, depending on whether the student anticipates entering the two- or four-year program. The four-year program requires a four-week field training course to be completed normally between
the sophomore and junior years. The two-year program is for those students who have not completed the GMC, to include transfer students and other students unable to participate in the on-campus GMC program. The two-year program requires a six-week field training course prior to entering the POC. Students interested in Air Force ROTC should contact the Aerospace Studies Department to determine eligibility.

A tiered stipend ranging from $250 to $400 per month is paid to contracted POC cadets or those cadets on scholarship. This sum is in addition to any other scholarship benefit held by a cadet. Additionally, when attending either field training encampment, cadets are furnished transportation or payment for travel, plus receive pay as well as free medical and dental care. Finally, all uniforms and AFROTC texts are provided at no cost to the student while participating in the program.

Selection for the POC

Selection for the POC is based on the best interests of the Air Force, together with achievement records of academic ability, observed leadership traits, fitness, the results of an officer aptitude qualification test, and physical examination. Schedules for these tests are announced through normal student advisory media.

Other requirements for POC entry are:

- Be a full-time student with at least two academic years remaining of undergraduate and/or graduate studies
- Qualify on the Air Force Officer Qualifying Test (AFOQT)
- Qualify on the Air Force medical examination
- Be at least 17 years old with parent or legal guardian consent
- Be a United States citizen
- Be interviewed and accepted for enrollment
- Be of good moral character
- Be in good academic standing
- Complete all commissioning requirements as follows:
  - Pilot & Navigator Candidates: Before age 29
  - Scholarship Recipients: Before age 31 as of December 31 in the eligible year of commissioning.

Placement Credit

The following criteria may earn an individual appropriate placement credit within the AFROTC program: students who have completed ROTC courses in essentially military preparatory schools or junior colleges, participants in high school JROTC or Civil Air Patrol, or prior members of the armed services. Those who have served in the armed services may be awarded full credit for the entire GMC and may therefore be eligible to begin the program in the POC. It is important to understand that these credit possibilities are considered “experiential” credits and therefore do NOT count toward an academic degree requirement or the minor in aerospace studies, but will enable an individual to attend a 4-week rather than 6-week field training encampment. Students interested in AFROTC should contact the Aerospace Studies Department to determine eligibility.
Scholarships and Additional Benefits

Scholarships are available to highly qualified students participating in AFROTC. The “In-College” Scholarship Program (ICSP) pays up to full tuition and provides $600 annually for books in addition to providing the monthly stipend as previously mentioned. Scholarship consideration is predicated on student ability, performance, and potential.

The AFROTC program also offers other benefits. For example, the monthly stipend is also paid to POC cadets regardless of scholarship status. Additionally, when attending either field training course, cadets are furnished transportation or payment for travel plus pay. Free medical and dental care and all uniforms are provided while at field training.

Student Obligations

When entering the Professional Officer Course, students must have at least two full academic years remaining to complete their college requirements for an undergraduate or a graduate degree or a combination of the two. Each POC student is required to enlist in the Air Force Reserve and to execute a written contract with the government. This contract requires a student to complete the POC and to accept a commission as a second lieutenant if tendered. General Military Course students are under absolutely no obligation if not on scholarship.

Students interested in this commissioning program should contact the Unit Admissions Officer, telephone 229-333-5954.

Minor in Aerospace Studies

The Minor in Aerospace Studies is offered to any student completing the course of study listed below. The minor not only prepares cadets for active duty service but also provides students the opportunity to study one of our country’s major instruments of power, the United States Military. Students will gain a broad perspective of the Air Force and its use as an instrument of national power by studying its history, organizations, missions, and operations.

Requirements:

Lower Division Courses ................................................................. 4 hours

A S 1001, A S 1002, A S 2001, A S 2002 ........................................ 1 hour each

Upper Division Courses ................................................................. 12 hours

A S 3001, A S 3002, A S 4001, A S 4002 ........................................ 3 hours each

Also recommended: one elective selected from the following:

HIST 4100, HIST 4404, HIST 4500, POLS 4410, POLS 4420, POLS 4430

Total semester hours required for the minor. ......................... 16 semester hours
Cooperative Education (Co-op) is an academic program that allows students to combine classroom instruction with degree-related work experience. Co-op students are able to confirm their choice of major, to apply classroom instruction to professional employment settings, and to strengthen their marketability upon graduation. Students also develop professional work skills and habits, earn competitive salaries, and make valuable career contacts. Co-op program employers encompass a vast network of local, state, and national employers.

MISSION
The mission of the Valdosta State University Office of Cooperative Education is to support the academic, career, personal, and work-skills development of VSU students through structured work-based learning experiences.

GOALS
The following strategic goals are integral to the mission of the Co-op Program: (1) maximize student development, (2) enhance the employer network, (3) achieve superior unit planning and administration, (4) nurture dynamic partnerships.

DEFINITION OF TERMS
Valdosta State University subscribes to the “Attributes of Cooperative Education Programs (http://www.co-op.uc.edu/home),” a national standard for Co-op Program administration and policies. Program models that meet the ACEP guidelines are available to VSU students:

Co-op Programs

Alternating
Students work full-time for a minimum of two semesters, one of which is not a summer term, separated by at least one semester of full-time enrollment at VSU.

Parallel
Students work 15 to 25 hours per week for a minimum of four semesters while being concurrently enrolled in at least six hours of academic coursework. The four work semesters may be completed with two different employers.

Combination
Students have a combination of full-time and part-time work experiences for the equivalent of two full-time work semesters.

Part-time Traineeship
Students work 15-25 hours per week while attending VSU a minimum of half-time one semester.
Full-time Traineeship

Students work full-time, one semester.

Note: Traineeships may be repeated up to two semesters. Traineeships may meet the qualifications of an academic department internship. For specific information pertaining to an academic internship, please see the department internship coordinator.

School-to-Career

Valdosta State University is one of a select group of colleges and universities to offer a School-to-Career (STC) Program. The School-to-Career Program consists of partnerships with area high schools to provide work-based learning opportunities.

Kappa Theta Epsilon

The VSU Kappa Theta Epsilon Eta Chapter serves a dual purpose: to promote the Cooperative Education program at VSU by enhancing contact between students, faculty, industry, and other Co-op programs, and to honor those VSU Co-op participants who demonstrate distinguished industrial and academic performance.

Students in Free Enterprise (SIFE)

The Office of Cooperative Education works closely with the VSU SIFE team to provide additional opportunities for students to gain business-related experience, to improve public speaking skills, and to compete on an international level. More information can be found at http://www.valdosta.edu/sife/

ELIGIBILITY

Students from a wide range of majors are eligible to participate in the Cooperative Education Program. The following majors have significant numbers of Co-op placement opportunities: accounting, art, biology, chemistry, communication arts, computer science, computer information systems, early childhood education, economics, finance, management, marketing, pre-engineering, and psychology. In addition, individual students from other majors are placed in Co-op positions on a limited basis. Students may be accepted into the cooperative education program via the following options:

Regular Admission

Students must earn a minimum 2.0 cumulative grade point average and must have completed 30 semester hours of coursework at Valdosta State University.

Accelerated Co-op Entry (ACE)

Students must provide acceptable documentation of completion of an approved high school work-based learning program or complete 12 or more semester hours at VSU with a minimum cumulative grade-point average of 3.0.

Transfer Admission

Students must provide documentation of completion of at least 30 semesters hours with a minimum 2.0 cumulative grade point average for all transfer credits.
After placement in a co-op position, students must
1. Maintain a minimum cumulative 2.0 grade point average each work semester;
2. Return to good academic standing within one semester if placed on academic probation.

Co-op Probation
1. Students will be allowed to continue work for one semester while on academic probation.
2. If placed on probation for a second semester after placement, students will be removed from the cooperative education program until they return to good academic standing with the institution.

Co-ops and trainees are considered as being enrolled full-time for insurance purposes and enrollment certification (loan deferment) for federal student loan programs during their work semesters if they are enrolled in the proper COOP course. Eligibility for financial aid programs is based on the number of hours enrolled, just as for other students.

COOP COURSES

Co-op is an academic program and, as such, includes the completion of specific coursework. Each placed student must enroll in the appropriate COOP course each work semester. Credit and non-credit program options are available. Students completing the credit option are eligible to earn the Diploma Seal of Advanced Cooperative Education. Students completing the non-credit option are eligible to earn the Certificate of Cooperative Education. Students' initial work term will not precede their first academic term, nor will any work terms follow students' final academic term.

Requirements: Certificate of Cooperative Education. ................................. 0 hours

The certificate is awarded to students who complete the equivalent of two full-time semesters of cooperative education work experience. During these work experiences, students will enroll each semester in COOP 2300 or COOP 2310 ................................................................. 0 hour

Requirements: Diploma Seal of Advanced Cooperative Education. ............... 6 hours

COOP 1101, COOP 1102, and COOP 1103 (1 hour each)
or COOP 2500 .......................................................... 3 hours
COOP 4990. .......................................................... 3 hours
Selected Educational Outcomes

1. Students will write and present a career vision statement that includes goals and objectives.
2. Students will demonstrate appropriate work-skills related to their major and/or career goals on a co-op job site.
3. Students will identify their strengths and weaknesses related to career employment by completing a self-assessment.
4. Students will create a career development plan based on the self-assessment.

Examples of Outcome Assessments

1. Using a criterion-based program checklist, the co-op faculty coordinator, the Director of Cooperative Education, and the workplace supervisor will assess the career vision statement.
2. The students’ work-site supervisor will assess the student’s work skills using the employer evaluation form.
3. The Director of Cooperative Education and the Cooperative Education Coordinators will review students’ responses to the self-assessment.
4. Students will implement their career development plan and document progress in a written semester report to be presented to faculty, other students, and employers, who will rate the presentation using a criterion-based checklist.

More comprehensive information about the Co-op Program including a current listing of Cooperative Education employers and job listings is housed on the Co-op Office website at <http://coop.valdosta.edu>. The Co-op Office is located in Powell Hall West. The office telephone number is 229-333-7172.
Learning Support Policy

Learning Support programs are intended to serve non-traditional students who are not prepared for Core Curriculum courses and need additional preparation in reading, mathematics, and English. Non-traditional students are defined as students who have been graduated from high school for a minimum of five years or students who hold a General Education Diploma (GED) and their class has graduated at least five years ago. Students who have been away from formal education at least five years and have attempted fewer than 30 semester hours are also eligible for this category. Students who are required to take Learning Support courses because they do not meet the minimum requirement on the COMPASS for exemption are subject to this policy.

1. During the first semester of enrollment, students must first register for all required Learning Support courses for which they are eligible to register before being allowed to register for other courses.

2. Until Learning Support requirements have been satisfied, students shall not be permitted to take credit courses which require the content or skills of the learning support courses as prerequisites. ENGL 0099 is a prerequisite for college-level English courses. MATH 0097 and MATH 0099 are prerequisites for college-level mathematics, physics, and chemistry courses.

3. Students may not accumulate more than 20 semester hours of college-level credit before completing all Learning Support requirements. Students who accumulate 20 semester hours of college-level credit and have not successfully completed required Learning Support courses may enroll only in Learning Support courses until requirements are successfully completed.

4. No degree credit will be earned in Learning Support courses, but institutional credit will be awarded.

5. Students enrolled in both Learning Support courses and credit courses may not withdraw from a Learning Support course with a “W” unless they also withdraw from credit courses.

6. Students will not be permitted to take the exit COMPASS in an area until they have met all requirements for eligibility in the exit-level Learning Support course. (The exit-level mathematics course is MATH 0099.)

7. Students required to enroll in Learning Support courses are allowed three semesters in which to satisfy all exit requirements. Students in the third semester of Learning Support courses are limited to a total of 12 hours, including Learning Support courses. Students who have accumulated 20 semester hours of college-
The mission of the Athletic Department is to develop student-athletes as complete individuals and educated citizens fully prepared to make a positive contribution to their community. This development must be accomplished within the academic framework of the University and in concert with the institution’s overall mission. With respect to spectators and supporters, the athletic program seeks to serve the region and enhance the development of the institution by fostering a sense of loyalty and community among students, faculty, staff, alumni, and supporters.
