Valdosta State University is a unit of the University System of Georgia and receives a major portion of its operating funding through appropriations from the State of Georgia. This support enables the University to offer high quality educational programs at a minimal cost to its students.

Valdosta State University’s academic year consists of two terms: Fall and Spring, as well as a series of Summer Sessions.

The University’s tuition is set by the University System of Georgia Board of Regents each spring and is effective the following fall term. Mandatory Fees and Other Fees are proposed annually by the University, supported by a committee, half of whom are students, and ultimately approved by the Board of Regents. However, the University and the University System reserve the right to change fees at the beginning of any term.

**FEE SCHEDULE**

All charges are based on approved fees and are subject to change according to the policy of the Board of Regents.

*Fee schedules can be found on the Web at*

VSU assesses mandatory fees each semester to students who are registered for 4 or more credit hours on the main campus. Valdosta State University’s mandatory fees for these students include: health fee, student activity fee, athletic fee, transportation fee, and parking facility fee.

All students are charged the following mandatory fees each semester regardless of campus or registered credit hours: technology fee and access card fee.

*All fees are tentative and subject to change according to Board of Regents policy.*
Off-Campus Courses

Off-campus and on-campus fees are the same. Health, Activity, Access Card, and Athletic fees, however, are assessed only for on-campus courses.

Audit (non-credit) Fees

Fees for attending class on an audit or non-credit basis are calculated on the same schedule as regular academic fees.

PAYMENT OF FEES AT REGISTRATION

Registration is complete only when tuition and fees are paid by the established deadline.

Students are responsible for determining account balances and securing payment by the established fee payment deadline. The University’s web site is the most up-to-date reference for registration and fee payment deadline dates, but notices are also sent to University e-mail accounts. The VSU e-mail is an official means of communication with students.

However, in the event that an account balance is not paid or scheduled to be paid, the University mails an invoice to students with account balances 2-3 weeks before each fee payment deadline. Generally, the invoice will reflect the amount owed, which is based on the courses selected, living arrangements on campus, the meal plan selected, and other student choices.

Financial Aid may be used to pay for tuition and room and board in accordance with federal regulations. However, if there is any other charges, a student must give the University consent to pay other charges with federal financial aid. This authorization is maintained in the Banner student system. A written statement is required to rescind the authorization and should be delivered to the Financial Aid Office in the University Center.

Methods to accomplish payment include both telephone and online services. VSU accepts the following payment forms - all of them may be used to secure registration, but in all cases, full payment is required: cash, personal check, money order, traveler's check, credit card (Visa, MasterCard, or Discover), university emergency loans (separate qualifications required), completed and fully authorized financial aid (meaning all promissory notes have been signed for loans).

VSU does not accept the following payment forms: third party checks, credit card checks, starter checks, counter checks, or partial payments.

If full payment is not made by the fee payment deadlines, VSU reserves the right to take the following actions and will notify students of such action: cancel registration in progress, hold student records, prevent future registration, and pursue collection of debt.

Students who register but do not attend VSU for a given term must withdraw from courses paid for by financial aid in order to avoid unsatisfactory grades or financial accountability. A withdrawal from one class does not mean a complete withdrawal from the University.

Please refer to the following section for the University’s Refund Policy.

Complete payment instructions are located on the Web at

<www.valdosta.edu/finadmin.financial/student/html>.

**REFUND OF FEES**

Students officially withdrawing from the University after paying fees for the term will be issued a 100% refund for tuition, mandatory fees, campus housing, and board meal plans, provided the official withdrawal occurs NO LATER THAN the official drop/add day for refunds. Students officially withdrawing from ALL classes AFTER the official drop/add day will receive a refund based upon the following official refund policy:

The refund amount shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total of calendar days in a semester includes weekends but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the time that the amount earned equals 60%.

Students who withdraw when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges. A refund of all non-resident fees, matriculation fees, and other mandatory fees shall be made in the event of the death of a student at any time during the academic session.

Housing fees, post office box fees, and music fees are non-refundable fees. Refunds of elective charges upon withdrawing from the institution during a term will be made on a prorated basis determined by the date of withdrawal. Flex charges and à la carte meal plans are refundable only to the extent they are unspent.

It is the student’s responsibility to withdraw officially in accordance with university regulations, which are set out in this Catalog. Students receiving funds and financial aid monies will have their refunds restored to the following programs in this precise order: outstanding balances on non-subsidized loans, subsidized loans, PLUS loans, Pell, SEOG, other Title IV student assistant programs, HOPE, private scholarships, and finally to the student.

No other refunds or reductions are allowed unless such reductions are necessitated by schedule changes initiated by the University. Students suspended or expelled for disciplinary reasons are not entitled to a refund of any deposits, tuition, or fees paid. Additionally, students who are asked to vacate their residence hall rooms as a result of disciplinary actions are not eligible for refunds.

RULES GOVERNING THE CLASSIFICATION OF STUDENTS AS IN-STATE RESIDENTS AND NON-RESIDENTS (OUT-OF-STATE)

A. United States Citizens

1. An independent student who has established and maintained a domicile in the State of Georgia for a period of at least 12 consecutive months immediately proceeding the first day of classes for the term shall be classified as “in-state” for tuition purposes. It is presumed that no student shall have gained or acquired in-state classification while attending any postsecondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state.

2. A dependent student shall be classified as “in-state” for tuition purposes if either i) the dependent student’s parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the student has graduated from a Georgia high school or ii) the dependent student’s parent has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the parent claimed the student as a dependent on the parent’s most recent federal income tax return.

3. A dependent student shall be classified as “in-state” for tuition purposes if a U. S. court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term, provided that appointment was not made to avoid payment of out-of-state tuition and the
U.S. court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least 12 consecutive months immediately preceding the first day of classes for the term.

4. If an independent student classified as “in-state” relocates temporarily but returns to the State of Georgia within 12 months, the student shall be entitled to retain in-state tuition classification.

5. If the parent or U.S. court-appointed legal guardian of a dependent student currently classified as “in-state” for tuition purposes establishes domicile outside of Georgia after having established and maintained domicile in the State of Georgia, the student may retain in-state tuition classification as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.

B. Noncitizens

Noncitizens initially shall not be classified as “in-state” for tuition purposes unless there is evidence to warrant consideration of in-state classification. Lawful permanent residents, refugees, asylees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification. International students who reside in the United States under nonimmigrant status conditioned at least in part upon intent not to abandon a foreign domicile are not eligible for in-state classification.

A glossary defining the terms in the tuition classification policy can be found in the University System of Georgia Board of Regents Tuition Classification

Relocation to the state must be for reasons other than enrolling in an institution of higher education. This waiver will expire 12 months from the date the waiver was granted.

As of the first day of classes for the term, an economic advantage waiver may be granted to a student possessing a valid employment-related visa status who can provide clear evidence of having relocated to the State of Georgia to accept full-time, self-sustaining employment. Relocation to the state must be for reasons other than enrolling in an institution of higher education. These individuals would be required to show clear evidence of having taken all legally permissible steps toward establishing legal permanent residence in the United States and the establishment of legal domicile in the State of Georgia. If the parent, spouse, or U.S. court-appointed legal guardian of a continuously enrolled nonresident student establishes domicile in another state after having maintained domicile in the State of Georgia for the required period, the nonresident student may continue to receive this waiver as long as the student remains continuously enrolled in a public postsecondary educational institution in the state, regardless of the domicile of the parent or U.S. court-appointed legal guardian.
Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Office of Admissions, Valdosta State University, Valdosta, Georgia 31698.

Student Responsibilities

A. Student Responsibility to Register Under Proper Classification: The responsibility of registering under the proper residence classification is that of the students. If there is any question of the right to classification as a legal resident of Georgia, it is the student’s obligation, prior to or at the time of their registration, to raise the question with the administrative officials of the institution in which he or she is registering and have the classification officially determined. The burden always rests with the student to submit information and documents necessary to support the contention of qualification for in-state residency under Regents’ regulations.

B. Notification Upon Becoming a Non-Resident: Students who are classified as residents (in-state) must notify the proper administrative officials of their institution immediately of any change (out-of-state) in their residency status.

Reclassification of Non-Resident Students

Those non-resident (out-of-state) students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Registrar’s Office and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Registrar’s staff, who will rule on the basis of oral evidence and other documentation supporting the petition for in-state resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for out-of-state tuition will be made and must be paid prior to the close of the academic term in which they are levied.

CHECK CASHING SERVICE

All checks and money orders must be payable through a United States bank. To accommodate students, the University will cash one personal check per day, per student, for $50.00 or less at the Bursary. Bursary hours are Monday-Thursday, 8:00 a.m. to 5:00 p.m. and Friday, from 8:00 a.m. to 2:30 p.m. Checks will not be cashed if the student has a “Hold” on his or her student account. Checks drawn for cash only must be made payable to “VSU-CASH.” The University will not accept two-party checks for cashing. Parents who send their son or daughter spending money by check should make their check payable to VSU, with the student’s name on the “for” section of the check.

Checks issued to the University in payment of fees, purchases of books, etc., or to be cashed for personal convenience must be paid upon presentation to the bank on which they are drawn. Checks returned to the University for insufficient funds, account closed, stopped payment, or for any other reason will be handled in accordance with the Collections Policy, below.
Additionally, the University can suspend the student from class and from any facilities of the University for a returned check of any reason. Suspension from class will not relieve the student from the obligation for payment of the returned check and fees.

COLLECTIONS

The University recognizes that circumstances may arise to create a balance due to the University. In effort to protect the financial interests of the institution and the State of Georgia, VSU follows the Business Procedures Manual of the Board of Regents, chapter 10.0, regarding collection, due diligence procedures, and write-off.

Financial holds are placed on student accounts for balances due. These holds will not allow students to register, graduate, or receive official VSU documents until outstanding balances are paid. Students can check their account status and hold type by visiting the Banner Registration Website.

Generally, student account balances and returned checks (NSF) that are past due 180 days will be turned over to the University’s Collection Agency.

CANCELLATION OF STUDENT REGISTRATION FOR CAUSE

The University reserves the right to cancel the registration of any student who fails to meet his or her financial responsibility, according to the rules and regulations of the University. The rules and regulations provide that:

1. All fees are due and payable upon completion of registration. Students should not report for registration without having sufficient funds available to pay their fees. The payment instructions are located at < www.valdosta.edu/finadmin.financial/student/html >.

2. Any check issued to the University in payment of fees, or to be cashed for personal convenience, must be paid upon presentation to the bank on which it is drawn. A student who issues a check on a bank without having sufficient funds on deposit in that bank has violated the statutes of the State of Georgia and may be prosecuted.

3. All fines for violations of the rules related to parking and traffic, and charges related to the library and other facilities such as laboratory breakage, etc., must be paid promptly. Those students having outstanding obligations will not be allowed to enroll in subsequent terms.

4. Misuse of an I.D. card may result in suspension from classes of all involved students.

5. Students who have secured short term loans must have this obligation paid in full according to the terms agreed upon with the Loan Officer to avoid suspension or possible cancellation of the term’s registration.

6. Students who misrepresent the facts pertaining to their qualifications to live off-campus may be suspended from classes. In each instance, students will be given proper notice to comply with the housing regulations before action is taken to effect cancellation of their registration.

7. The University reserves and intends to exercise the right to withhold copies of education records and/or to cancel enrollment of students who owe the University money.

In accordance with the policy of the Board of Regents of the State of Georgia and under the provisions of The Family Educational Rights and Privacy Act of 1974 (FERPA), Valdosta State University maintains various educational records for each matriculating student. VSU affords students certain rights with respect to these educational records, and these rights include:
1. The right to inspect and review the student’s educational records within 45 days of the day the University receives a request for access. Students should submit to the registrar, the dean of the appropriate college, the head of the appropriate academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. VSU’s official contact person for such record requests is the Custodian of Official Records in the Office of the Vice President for Academic Affairs. 2. The right to request the amendment of the student’s educational records that the student believes are inaccurate. Students may ask the University to amend a record that they believe is inaccurate. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the university decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

STUDENT RECORDS
Mr. Stanley Jones
Interim Registrar

The Office of the Registrar maintains the academic records of students and issues transcripts of records and certificates for various governmental agencies.

Students are encouraged to check with the Registrar’s Office when questions arise concerning academic status. All students have a permanent record to which only they and authorized personnel have access, and it is to the student’s advantage to check this record periodically. Official transcripts are provided upon written request of the student. All undergraduate and graduate work constitutes a complete academic record. Portions of that record will not be deleted when transcripts are provided. All grades assigned remain on the student’s permanent record and transcript. Two weeks’ processing time should be allowed for the preparation of transcripts and certifications.

Transcripts of academic records from other universities and high schools are not provided. The student must contact previous institutions attended for those transcripts. It is also the student’s responsibility to contact testing agencies for test score reports.

COMPUTING AND DATA NETWORKING FACILITIES
Mr. Joe Newton
Chief Information Officer

The university operates a variety of sophisticated, state-of-the-art computing and data networking facilities to support its academic, research, and administrative activities. The facilities include several powerful UNIX-based central servers, over 3,000 microcomputers, 90 high-end workstations, and 50 distributed file servers running Novell NetWare or Microsoft Windows Server 2000/2003, all of which are interconnected via a high-speed data network.

VSU was recognized nationally in October 2001 by Yahoo! Internet Life magazine as one of the “Top 100 Most Wired” campuses in the United States and is known in the University System of Georgia as a technology leader. Located in the Computer Center in Nevins Hall, a Hewlett Packard 9000 large-scale business server supports the student information system. VSU keeps updated with the state-wide implementation of the SCT Banner Student Information and Financial Aid Systems, which greatly enhances student support operations such as admissions, registration, advising, and financial aid processing. Student registration and general access to data can be easily accomplished via the web or the Campus Pipeline Luminis portal. The Business and Financial Software System from PeopleSoft Corporation, installed centrally by the Board of
Regents, has been managed by VSU since June 1999 and placed in full production in November 2001. All systems utilize the Oracle RDBMS database product.

Housed in two secured server rooms located in the heart of the main campus and managed by the Systems Support Services group, a load-balanced series of Sun V and E series servers and StorEdge storage servers provide domain name services, email, web, portal, and courseware services for the students, faculty, and staff. Directory and email services are provided to the portal and email clients via the Sun One platform products that are integrated into the Campus Pipeline Luminis portal. Courseware is provided using the WebCT Vista product and supports as many as 350 faculty and 9,000 students in 500 courses. Supporting both the portal and courseware services is a separate Oracle RDBMS instance.

An extensive data network, with its central core of bridges and routers, provides Fast Ethernet and Gigabit Ethernet communications between all servers and microcomputers. The 20 miles of fiber and 62 miles of copper wire connect the main campus buildings, as well as three on North Campus, the VSU Regional Center for Continuing Education, Plant Operations, and 12 buildings adjacent to the main campus. Internet access is provided via a circuit to the state-wide PeachNet network (currently 100Mbps). In addition to the ‘hardwired’ network described, VSU has also implemented an extensive wireless data network. Over 250 wireless access points have been installed in all academic buildings and residence halls on the campus to create an umbrella of coverage. All resident students have wireless capability, and all academic buildings including Odum Library are supported, as well as three student activities locations. To increase utilization, 12 roll-around carts with 20 wireless laptops each have been provided to various academic departments for student checkout to use in classes.

Currently 3,710 “end user” type computers are located on the campus. Microcomputers are provided to every faculty member and all staff in administrative offices. Over 1,800 microcomputers are available to students in 60 labs and classrooms, with 3 to 80 machines each, located throughout the campus. Special purpose labs provide CAD, molecular modeling, graphics, video production, and music software to support programs such as pre-engineering, interior design, chemistry, mass media, and music. Two labs are installed at Kings Bay Naval Base to support VSU operations at that location. All machines have the campus standard software installed: Microsoft Windows XP and Office 2003 Professional, communications products (Internet Explorer, Outlook, Netscape, Eudora, Secure Shell, and others) and centrally managed virus protection software. Various microcomputer servers, Sun and Compaq high-end workstations, local networks, and other facilities are located centrally and in the colleges and administrative offices to provide additional support to students, faculty, and staff.

VSU’s Odum Library operates seven student computer labs with 18-80 PCs each. The library has 20 study rooms available to VSU affiliates, each equipped with a computer connected to the campus network, the Internet, and a network printer. The library uses a new Web catalog called GIL (Galileo Interconnected Libraries), which is now used by all University System schools. GIL provides not only a Online Public Access Catalog but also the University System of Georgia Union Catalog, making it possible to place electronic requests for books held by other libraries in the system.

### Inappropriate Use of University Computing Facilities

Students are expected to comply with all rules pertaining to the use of the University’s computers. These are described in detail in the Code of Ethics contained in the Student Handbook. The misappropriation of intellectual property, i.e., software piracy, or the use of the computers for personal or commercial gain is prohibited. Students are expected to respect the privacy of others in all matters of access and records.
The purpose of the student aid program is to help make higher education a reality for persons who would be unable to attend without financial assistance. However, financial aid is awarded only to eligible students who have been admitted to the University. Transient students are not eligible for financial aid. The financial aid application may be submitted at any time after the applicant has applied for admission.

Financial aid applications are accepted and processed throughout the academic year, but priority is given to those submitted by May 1.

Valdosta State University is defined by the Board of Regents of the University System of Georgia as a residential institution, and the University must provide on-campus housing and dining service. All undergraduate students who live in residence halls are required to participate in the meal program. The policy is a part of the total “Living-Learning” concept of the University and is supported by an amendment to the Georgia Eighteen-Year-Old Bill, which reads, “Nothing in this Act shall be construed to limit the powers of the Board of Regents of the University System of Georgia to adopt and enforce rules and regulations for the government, control, and management of the University System; nor shall this Act be construed so as to limit the authority of any institution in the University System of Georgia to adopt and enforce rules and regulations governing housing, conduct, discipline, and other related activities of the student body.” Following Regents’ policy, the Auxiliary Services Division is totally self-supporting and receives no state allocations of funds.

HOUSING AND RESIDENCE LIFE

Housing Application and Contract

The Housing Application and Contract forms are sent to students after their acceptance to the University. Housing Application and Contract forms can be found online at <http://housing.valdosta.edu>. All students applying for campus housing will be required to sign a contract with Housing for the academic year. Apartment residents must sign a 12-month contract. All students who plan to live in campus housing must pay an application fee of $25 when they submit their Housing Application and Contract. Additionally, each student must pay a $300 deposit by the deadline established in the Housing Contract. The deposit is a one-time fee that will be refunded once the student fulfills the requirements set forth by the Housing contract or upon graduation from the University. The housing contract outlines conditions under which refunds may be made. Occupancy of a traditional-style residence hall room is terminated at the end of each spring semester (9 months). Apartment contracts terminate at the end of summer term (12 months).
Students currently enrolled should obtain an application for housing at the annual Room Selection Process held in March at the University Center. Please refer to the housing contract for specific terms and conditions. Please read the contract carefully, as it constitutes a fully binding legal agreement with the University. Requests for release from the housing contract prior to the conclusion of the academic year will be considered after the student resident completes a Request for Release from Contract, available in the Office of Housing and Residence Life.

All motorized vehicles parked on campus must properly display a current parking permit at all times. Parking on campus is by permit only and is a privilege that may be withdrawn for cause at any time.
