The College of the Arts at Valdosta State University includes the Department of Art, the Department of Communication Arts, the Department of Music, and the academic support unit ArtSouth, the outreach arm of the College. This organization of the disciplines of the performing arts, communication arts, and visual arts into one academic unit is unique in the University System of Georgia and reflects a traditional and continuing commitment by Valdosta State University to provide cultural enrichment in the lives of the students and other citizens of Georgia. The College of the Arts maintains a calendar of performing arts, visual arts, television, radio programming, and other arts activities which are available to students, faculty and the general public.

In addition, many of the performances and exhibitions created by the College of the Arts are presented off-campus in schools and communities of the region. Every Valdosta State University student is invited to explore membership in performance activities such as band and theatre and other student organizations associated with the academic departments of the College and enroll in courses, regardless of major.

Academic programs of the College of the Arts include professional preparation in music, art, theatre, speech, public relations, organizational communication, and telecommunication. Liberal arts programs with majors in arts disciplines are also available in several areas. Minors are offered in Art and Speech Communication. Degree offerings include the Bachelor of Fine arts, the Bachelor of Music, the Master of Music Education, and the Master of Art Education degrees. The Bachelor of Arts degree with a major in Art or Music is offered in conjunction with the College of Arts and Sciences. The Bachelor of Fine Arts degree with a major in Art Education and the Bachelor of Music degree with a major in Music Education are offered in conjunction with the College of Education.

The Valdosta State University College of the Arts is an accredited institutional member of the National Association of Schools of Art and Design, National Association of Schools of Music, the Southern Association of Colleges and Schools, and the National Council for Accreditation of Teacher Education. The Theatre program is accredited by the National Association of Schools of Theatre.
The Art Department has three comprehensive undergraduate degree programs, an Art Minor, and a Master of Art Education degree program which is listed in the Graduate Bulletin. The programs include the Bachelor of Fine Arts with a Major in Studio Art, The Bachelor of Fine Arts with a Major in Art Education, and the Bachelor of Arts with a Major in Art.

The BFA in Art and in Art Education are professional degrees which prepare students for a variety of occupations or further educational experiences. The Bachelor of Art with a Major in Art degree program allows the student the flexibility of designing a comprehensive liberal arts curriculum which may lead to graduate school or develop into entrepreneurial careers in the visual arts.

The Department of Art is accredited by the National Association of Schools of Art and Design. Each program of study has a sequentially based curriculum beginning the first semester of the freshman year which include foundations courses leading to advanced courses. *Students who delay entering the major until completion of the Core Curriculum may prolong their academic careers.* Students in each program have the opportunity to pursue in-depth study in one or more disciplines taught in the department. Studio courses are scheduled as double period classes, and the purchase of art materials is required.

Majors in all programs are required to participate in the Senior Exhibition. All majors must earn a grade of “C” or better in all foundations (Area F), professional, and major classes. Thirty-nine semester hours must be earned at the 3000-level or above in each degree program.

All students, including transfer students, must take ART 2012L Basic Design II or pass a safety exam before taking studio courses in the major.

The minor in art is designed for students with an interest in art or art history who do not wish to pursue a degree program in one of these areas of inquiry. A grade of “C” or better is required in all majors and in all minors at the university.

**BACHELOR OF FINE ARTS DEGREE WITH A MAJOR IN ART**

This major leads to the Bachelor of Fine Arts and is a professional degree program which can prepare the student for a variety of art and art related careers, provide the basis for further in-depth personal research and study, or prepare the student for graduate school. BACHELOR OF FINE ARTS WITH A MAJOR IN INTERIOR DESIGN

This degree curriculum focuses on the standards for professional interior design programs established by both NASAD (National Association of Schools of Art & Design) and FIDER (Foundation for Interior Design Education Research). The major is designed to offer learning opportunities structured to prepare the student for a variety of careers in the interior design profession or for graduate school. This is a new major approved by the Board of Regents in 1999 with the first course to be offered in the fall semester of 1999. Students interested in this major should be advised that the degree requires six major studios which are taken in sequence, one per semester. Major studios are offered in fall and spring semesters and require a minimum of three years to complete. Plan to be advised in the Art Department as soon as you identify an interest in this major. This is a 120 hour degree program.

Selected Educational Outcomes

1. developing skill in creative and critical thinking and problem-solving in response to visual, technical, aesthetic, and social aspects of inhabited spaces.
2. achieving competence in a number of media and techniques in order to effectively communicate design solutions graphically, in writing and through verbal presentations.
3. gaining an understanding of the history of art and design, including contemporary theories and works.
4. acquiring competence in analysis of information and relationships, evaluating issues and setting priorities as component elements of the process of generating creative design solutions for projects of any scale and complexity.

5. developing a significant sense of the principles, ethics and processes necessary to conceptualize and create interiors which are responsive to the intellect, the senses and the spirit of those who inhabit them and the greater context of the environment which contains them.

The Department of Music has three comprehensive undergraduate degree programs and a Master of Music Education degree, which is listed in the Graduate Bulletin. The programs include the Bachelor of Music with a Major in Music Education, the Bachelor of Music with a Major in Music Performance, and the Bachelor of Arts with a Major in Music, a liberal arts degree. The Bachelor of Music with majors in Music Performance and in Music Education are professional degrees which prepare students for a variety of career opportunities and further educational experiences. The Bachelor of Arts with a Major in Music degree program allows the student the flexibility of designing a comprehensive liberal arts curriculum which may lead to graduate school or develop into entrepreneurial careers in music. Each program of study has a sequentially based curriculum beginning in the first semester of the freshman year. Students who delay entering the appropriate music courses from these sequences until completion of the Core Curriculum may prolong their academic careers.

The Department of Music is accredited by the National Association of Schools of Music.
All new students who intend to pursue an undergraduate degree in music must audition for a faculty committee for the purposes of being placed in the appropriate applied music sequence course. Transfer students must take a placement exam in music theory and must also audition for a faculty committee for the purposes of being placed in the appropriate applied music and music theory sequence courses.

**BACHELOR OF MUSIC WITH A MAJOR IN MUSIC EDUCATION**

The Bachelor of Music with a Major in Music Education is a 134-hour degree program designed to enable students to develop the range of knowledge, skills, and competencies expected of those holding a professional baccalaureate degree in music education. It leads to the Bachelor of Music with a Major in Music Education degree and NT-4 Certification for grades P-12. Advising of students pursuing this program is done in the Department of Music by departmental faculty. However, admission to the Education program and arrangements for Preschool Field Experience and Student Teaching are made through the Office of the Dean of the College of Education. Students must meet all requirements established by the College of Education and the College of the Arts as published in this Bulletin.

**Selected Educational Outcomes**

1. Acquire foundational perspectives in educational philosophy, psychology, sociology, and history.
2. Develop skills in and functional knowledge of conducting, rehearsing, and wind, string, fretted and percussion instruments, and/or voice performance.
3. Develop the ability to apply analytical and historical knowledge to curriculum development, lesson planning, and daily classroom and performance activities.
4. Develop skills in assessment and evaluation strategies.
5. Acquire the ability to teach music at various levels to different age groups and in a variety of classroom and ensemble settings.

The College of Nursing offers programs that lead to a Bachelor of Science in Nursing degree (B.S.N.) and a Master of Science in Nursing degree (M.S.N.).

The baccalaureate program in the College of Nursing is designed to give the student the basic knowledge, skills, and values that build upon the foundation provided by the University Core Curriculum and that are required for professional careers in nursing. Moreover, through a series of sequenced courses, the College of Nursing prepares the student for advanced study in nursing. The curricula adhere to a systemic approach which emphasizes the connections between the concepts of Holism, Caring, Competence, Health, and Teaching/Learning.

The College’s programs stress the importance of critical thinking skills, an appreciation for diverse cultural perspectives, and the application of knowledge to address policy disputes and social problems related to health care. The program leading to the baccalaureate degree in nursing is approved by the Georgia Board of Nursing. This program provides a major measure of eligibility for the national licensing examination in nursing, leading to use of the title Registered Nurse. Applicants who have a conviction for a felony may not be eligible for licensure; it is recommended that these applicants consult with the Dean of the College before seeking entrance to the program. The College of Nursing programs are fully accredited by the National League for Nursing Accrediting Commission. The address of the National League for Nursing Accrediting Commission is 350 Hudson Street, New York, NY 10014. Telephone 212 989 9393.

B.S. DEGREE WITH A MAJOR IN NURSING

Selected Educational Outcomes

1. Synthesize theoretical, empirical, and experiential knowledge gained from the sciences, humanities, and nursing in competent nursing practice.
2. Utilize critical thinking and effective communication to assist individuals, families, and communities to attain and maintain optimal health.
3. Meet the dynamic, holistic health needs of unique and culturally diverse individuals, families, and communities throughout the life cycle.
Examples of Outcomes Measurements

1. Presentation of a senior paper and achievement on a nationally normed competency examination.
2. Senior project presentation and achievement on a nationally normed competency examination.
3. Measurement will occur throughout the program during clinical evaluation and at the end of the program by achievement on a nationally normed competency examination.

   j. hear telephone and have the ability to accurately take orders over the telephone;
   k. hear sounds with stethoscope to assess blood pressure, heart rate, lung, vascular, and abdominal sounds;
l. hear a patient calling for help;
m. hear beepers, alarms, et cetera requiring a rapid response;
n. read very fine or small print on medication containers;
o. see nurse call or emergency lights;
p. visually assess patients appropriately;
q. read and interpret physician’s orders;
r. read monitors and other equipment accurately;
s. demonstrate manual dexterity to don sterile gloves and gown;
t. demonstrate manual dexterity to prepare medications aseptically whether orally, I.M., S.C. or I.V.
u. demonstrate manual dexterity to use sterile techniques when performing activities such as insertion of catheters, IVs, et cetera; and
v. demonstrate ability to utilize equipment and instruments needed to carry our patient care.

Special Graduation Requirements

1. Must have earned at least a C in all nursing courses with a maximum of one failure.
2. Satisfactory completion of courses required for the nursing major.
3. Successful achievement of the program objectives.
Air Force Reserve Officer Training Course (ROTC) offers students a course of study designed to complement their individual academic major. This program is designed to commission young men and women as second lieutenants into the active duty Air Force upon completion of a bachelor’s degree and ROTC requirements. Students take one academic aerospace studies course and a leadership laboratory to receive hands-on leadership and management practice each semester during the program. Cadets enrolled in the program represent a broad cross-section of the student body. Enrollment in either the two-year or the four-year program offers each cadet an additional future career option. The student/cadet has an opportunity to explore and evaluate Air Force career opportunities while earning a college degree. Completion of the ROTC curriculum is the initial step in the education of the professional officer and provides a firm understanding of aerospace concepts, the Air Force mission, organization and operation. A commission as an officer in the United States Air Force is tendered at the time Valdosta State University grants the bachelor’s degree.

General Program

The ROTC program consists of two phases: the General Military Course (GMC) and the Professional Officer Course (POC). Each phase requires four semesters of study on campus. The GMC courses taken during the freshmen and sophomore classes deal primarily with the various Air Force organizations and their missions, as well as the history of the Air Force. GMC courses meet two and one half hours each week: one hour in the classroom and one and one-half hours in Leadership Laboratory. During the junior year, the POC courses emphasize student involvement in learning and practicing leadership and management techniques. The senior year courses deal extensively with the political, economic, and social factors relating to the formulation and implementation of national security policy. Communicative skills are stressed throughout the entire ROTC curriculum. The junior and senior cadets meet for four and one-half hours each week; three hours in the classroom and one and one-half hours in Leadership Laboratory. All cadets wear uniforms to one class per week and to Leadership laboratory.

All students must complete a field training course conducted at an active Air Force base during the summer months. There are two types of courses available, depending on whether the student anticipates entering the two- or four-year program. The four-
year program requires a four-week field training course to be completed normally between the sophomore and junior years. The two year program is for those students who have not completed the GMC, including transfer students and other students unable to participate in the on-campus GMC program. The two-year program requires a five-week field training course prior to entering the POC. Veterans can be awarded full credit for the freshman and sophomore courses and may enter the POC, based on their active military experience. Application for the 2 year program and extended field training session should begin by October 1 preceding the fall semester in which the student becomes a junior. Students interested in Air Force ROTC should contact the Aerospace Studies Department to determine eligibility.

Selection for the POC

Selection for the POC is based on the best interest in the Air Force together with achievement records of academic ability, observed leadership traits, and the results of an officer aptitude qualification test and physical examination. Schedules for the tests are announced through normal student advisory media. Other requirements for POC entry are:

* Be a full-time student with at least two academic years remaining of undergraduate and/or graduate studies
* Qualify on the Air Force Officer Qualifying Test (AFOQT)
* Qualify on the Air Force medical examination
* Be at least 17 years old and have parent or legal guardian consent
* Be a United States citizen
* Be interviewed and accepted for enrollment
* Have good moral character
* Be in good academic standing
* Complete all commissioning requirements as follows:

  **Pilot & Navigator Candidates:** Before age 26½
  **Scholarship Recipients:** Before age 27 as of June 30 in the eligible year of commissioning. (Before age 29 for prior active duty service personnel with appropriate waiver.)
  **Non-Flying, Non-Scholarship Students:** Before age 30

Placement Credit

Students who completed ROTC courses in essentially military preparatory schools or junior colleges may be given appropriate credit. Students who have taken high school ROTC should contact the Professor of Aerospace Studies for placement. Indi-
viduals with prior service may also be given placement credit.

A non-taxable allowance of $150 per month is paid to POC cadets during two academic years. This fee is in addition to any other scholarship benefits held by students. When attending either field training course, cadets are furnished transportation or payment for travel plus pay at the current rate of approximately $460 per month. Free medical and dental care and all uniforms are provided while at field training.

Scholarships

Scholarships are available to highly qualified students participating in Air Force ROTC programs. This scholarship consists of $9,000 toward tuition, $480.00 toward books, and the monthly allowance of $150 mentioned above for each scholarship year. Scholarship consideration is predicated on student ability, performance, and potential.

Student Obligations

When entering the Professional Officer Course, students must have at least two full academic years remaining to complete their college requirements for an undergraduate or a graduate degree or a combination of the two. Each POC student is required to enlist in the Air Force Reserve and to execute a written contract with the government. This contract requires a student to complete the POC and to accept a commission as a second lieutenant if tendered. General Military Course students are under absolutely no obligation. All POC cadets must demonstrate proficiency or successfully complete a course in mathematical reasoning before commissioning. A college-level credit course in math, statistics, or computer science leading toward a specific skill or demonstrated proficiency as required by each department will fulfill this requirement. Students interested in
Cooperative Education (Co-op) is an academic program which allows students to combine paid degree-related work experience with classroom instruction. The Co-op Program enables students to confirm their choice of major, to more fully experience their academic field, and to strengthen their marketability upon graduation. Students also develop professional work skills and habits, earn competitive salaries, and make valuable career contacts. Co-op Program employers include local, state, and national employers who provide Co-op experiences including the following work scheduling options:

**Parallel Co-op:** work 15-25 hours per week while enrolled at VSU a minimum of nine semester hours. A minimum of four work semesters is required. **Alternating Co-op:** work full-time, alternating semesters. A minimum of two work semesters is required. **Part-time Traineeship:** work 15-25 hours per week while attending VSU a minimum of nine semester hours for up to two semesters. **Full-time Traineeship:** work full-time, one semester.

Co-ops and Trainees are considered as being enrolled full-time for insurance purposes and enrollment certification (loan deferment) for federal student loan programs during their work semesters. Eligibility for financial aid programs is based on the number of hours enrolled, just as for other students.

Students from a wide range of majors elect to participate in Co-op including Accounting, Anthropology, Art, Bachelor of Applied Science, Biology, Chemistry, Communication Arts, Computer Science, Computer Information Systems, Criminal Justice, Early Childhood Education, Economics, Environmental Geography, English, Finance, Management, Marketing, Middle Grades Education, Physical Education, Physics, Political Science, Pre-Engineering, Psychology, Sociology, and Vocational Education.

Students who **intend to graduate from VSU** or who participate in a recognized transfer program are eligible to enroll in the Co-op Program. Students may enroll in the Co-op Program as soon as they are admitted to VSU, but must have attained sophomore status in order to be placed in a Co-op work assignment or have written approval from the appropriate Co-op Faculty Coordinator and the Director of Cooperative Education. Students must maintain a minimum semester and cumulative GPA...
of 2.50. Students with a 2.00-2.49 GPA may be admitted to the Co-op program upon written recommendation of a VSU faculty member.

Special recognition is awarded to those students who elect to maximize the benefit of Co-op Participation meeting the requirements (see below) needed to earn the “Certificate of Cooperative Education” and/or “The Diploma Seal of Advanced Cooperative Education”.

**Requirements: Certificate of Cooperative Education……………….. 1-2 hours**

- COOP11010 ........................................................................................................1 hour
- COOP 1102 ........................................................................................................1 hour
- COOP 3310 (4 semesters) or COOP 3300 (2 semesters) ..............................0 hour

**Requirements: Diploma Seal of Advanced Cooperative Education.. 4-5 hours**

- COOP 1101 .................................................................0-1 hour
- COOP 1102 ........................................................................................................1 hour
- COOP 3310 (4 semesters) or COOP 3300 (2 semesters) ......................0 hours
- COOP 4990 ........................................................................................................3 hours

**Selected Educational Outcomes**

1. To facilitate clarification and/or reinforcement of career goals.
2. To develop a clearer understanding of the relationship between academic theory and practical application.
3. To promote a clearer understanding of courses that would be helpful or important to career success.
4. To provide the opportunity to apply core knowledge acquired in the classroom in the workplace.
5. To increase motivation to continue and persist toward graduation.

**Examples of Outcome Assessments**

1. Pre-Co-op enrollment intake process with Co-op Coordinators.
2. Student and employer semester written evaluations.
3. On site visits by Co-op staff.
4. Semester performance objectives.
5. Measurement of persistence rates of Co-op students compared with the student population as a whole.

More comprehensive information about the Co-op Program including a current listing of Cooperative Education employers and job listings is housed on the Co-op Office website at coop.valdosta.edu. The Co-op Office is located at 218 Georgia Avenue. The office telephone number is (912) 333-7172.
The Learning Support Program is intended to serve non-traditional students who are not prepared for Core Curriculum courses and need additional preparation in reading, mathematics, and/or English. These students are required to take Learning Support courses because they did not achieve the System minimum scores on the COMPASS Exam for Learning Support Exemption.

Until Learning Support requirements have been satisfied, students shall not be permitted to take credit courses which require the content or the skills of the prerequisite courses. Students who are required to participate in Learning Support must:

1. exit or exempt Learning Support Reading as a prerequisite for Social, Natural, and Physical science courses;
2. exit or exempt Learning Support English and Reading as prerequisites for college-level English;
3. exit or exempt Learning Support mathematics as a prerequisite for Mathematics, Physics, and Chemistry.

During each semester of enrollment, a student must first register for all required Learning Support courses before being allowed to register for other courses. This policy also applies to part-time students. Two exceptions are possible:

1. When two or three Learning Support areas are required and a student is enrolled in at least one Learning Support course, the freshman seminar course or physical education or other activity or performance courses may be taken that semester instead of one of the required Learning Support courses.
2. In the event that a required Learning Support course is not available, a student may enroll in a course for degree credit if the student has met the course prerequisites, subject to the written approval of the Director, Office of Academic Student Instructional Support.

Students with Learning Support requirements who are enrolled in both Learning Support courses and credit courses may not withdraw from the required Learning
Support courses with a “W” unless they also withdraw from credit courses.

To exit a Learning Support area, students must successfully complete the exit level Learning Support course in that area, meet any established institutional standards, and attain at least the University System minimum COMPASS scores of 30 in Math, 60 in English, and 74 in Reading.

Students required to enroll in Learning Support are allowed three semesters in which to satisfy all exit requirements, although they may exit at the end of any semester. Students in the third semester of Learning Support courses are limited to a total of 12 hours, including Learning Support courses. Students who have accumulated 20 semester hours of college-level credit and have not successfully completed required Learning Support courses may enroll only in Learning Support courses until requirements are successfully completed. Students who have not exited a Learning Support course at the end of the third semester of eligibility will be suspended by the University System and the institution for three years.
