

Clay Sculpture: Hand-Building & Slab-Building

Supply List

Thurs/Tues/Thurs

Aug 13, 18 & 20

6 – 8 PM

Equipment & Tools:

- Large rolling pin
- Clay wire cutter
- Sponge
- Fettling knife (or needle tool)
- Chinet[®] paper plates (Chinet[®] paper plates do not have a plastic coating and absorb moisture from the clay)

Suggested items to create texture, but feel free to use your imagination!

- Corrugated cardboard
- Bubble wrap
- Lace remnants
- Mesh produce bags
- Canvas or vinyl table mat

Stamping ideas:

These are just ideas a few ideas of items that can be pressed like stamps into clay (not to be used under the rolling pin). The possibilities are endless.

- Beaded necklaces
- Tart tins with removable bottoms
- Natural items like rocks, shells, driftwood pieces, etc
- Ridged pen caps
- Carved or molded buttons
- Meat tenderizer mallet
- Ornate silverware handles
