All written work must be submitted as attachments to the assignment modules in the BlazeView course website using Word formats (.doc or .docx suffixes only).

## **LATE SUBMISSIONS, MISSED ASSIGNMENTS, & MAKE UP ASSIGNMENTS**

All course work is due inside BlazeView on the date and time indicated on the course calendar. Any exception without penalties must be negotiated in advance. Technological crises are not acceptable excuses for submitting work late unless BlazeView is down at the time the work is due.

Up to 20% of the possible assignment grade will be deducted from the student's score for every additional 24 hours or increment thereof that the work is late up until the day the BlazeView assignment submission window closes. If you need additional time to work on an assignment or if you have a scheduling conflict you must contact your instructor BEFORE the assignment is due to discuss your situation. The instructor WILL NOT accept work after the assignment submission window closes without prior consent.

## **MLIS PROGRAM E-PORTFOLIO REQUIREMENT**

An E-Portfolio is required for graduation by all students. Assignments from this course that you might consider including in your portfolio include the library assessment report and presentation.

## **COURSE GRADES**

Students can earn a maximum of 100 points in this course as indicated above.  
Course grades will be awarded as follows:

A – 90-100

B – 80-89

C – 70-79

D – 60-69

F – Fewer than 60 points

No grade below a C will be credited toward a VSU graduate degree and students must receive a grade of B or better to earn credit in core courses and the required collection development elective.

An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party **or copied into a paper or project from a source without proper citing**. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

## **ATTENDANCE POLICY**

VSU requires that you attend class in the first week. *Student must use the General Discussion Board to introduce themselves to their classmates (no post by the end of the first week will result in the student being dropped for the class)*. All course activities will be conducted through BlazeVIEW. Course content is delivered asynchronously according to the course calendar. It is your responsibility to participate in all course activities and submit assignments on time. It is in your best interest to log into the course at least several times each week (daily is best) to check announcements, discussion board posts, and emails.

## **COMMUNICATION**

Communication will be conducted through BlazeVIEW email, postings and replies in the discussion board, and/or BlazeVIEW announcements. Check these areas at least several times per week (daily is

recommended) as you are responsible for knowing all information communicated through these channels.

VSU requires that all correspondence between the student and the instructor be conducted through official university channels. To that end, all email correspondence related to this course is to be sent using the email client built into the BlazeVIEW course website. For other correspondence with any VSU faculty members or administrative offices, please use your VSU email account.

If you would like to speak with the instructor by telephone, please email your instructor to arrange a mutually convenient time.

### **STUDENT OPINION OF INSTRUCTION SURVEY (SOI)**

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
