**Cleaning Responsibilities**
All organizations are required to return the space to its original condition before departing. The space should be free and clear of all trash and debris, and all decorative materials removed. Trash includes but is not limited to: glitter, boxes, cups, food, confetti, sand, clothes, props, etc.

For outdoor spaces, user is responsible for removing all trash (including bagged trash from the requested trashcans) and disposing of it in the brown trash receptacles located around campus. If you are hosting an event on campus, where you will be collecting any money, donations, etc, you will need to fill out and submit a Fundraising Request at least 2 weeks in advance of your event in addition to putting in an event request through the R25 scheduling system. No Fundraising Request forms will be accepted if they are not submitted 2 weeks in advance and event contracts will not be approved without fundraiser approval. **Approved fundraiser paperwork does not constitute a confirmed contract.** This form will only be accepted via CampusConnect. They must be able to enter all spaces at any given time. Therefore, doors to an event space must remain unlocked and free of obstruction while the event is in progress. VSU University Police or the Building Manager should be notified in the event of an emergency and/or made aware of emergency situations that arise. All persons using Valdosta State University facilities are to act responsibly. Individuals who display disruptive, dangerous, or inappropriate behavior will be asked to leave. All groups should become familiar with emergency exits and safety policies when planning an event.
Security for Campus Events

The University has adopted a set of procedural guidelines for organizations to follow when planning events for large groups, late night events, or those posing a security concern. The user is responsible for contacting VSU University Police to discuss details and determine if security is required and the amount of personnel on site for the event. Additional charges may apply (see Special Service Fees).

- All costs related to this special support are the responsibility of the client.
- Rate of pay will be determined by the Event Services staff (see Special Service Fees).

More specialized guidelines for each separate facility can be found under Facilities.

Major University Events
Major events may include commencement activities, admissions events, orientation sessions, and conferences. University Departments may request reservations for major campus events up to two years in advance. Each request will be considered on a case-by-case basis.

3. RESERVATION PROCEDURES

The reservation staff will assign rooms according to the most appropriate use of the facility as the event is described on the event request form (R25) at www.valdosta.edu/eventservices. The demands on the facility as well as the nature, i.e. equipment, food, music, and recreational equipment and the size and reoccurrence of the event will be considered in determining space assignments. The requestor’s first and second preferred locations must be indicated on the request form in an effort to serve the event’s needs.

The Event Services staff will work diligently to meet each space request, however; submitting the event request form (R25) does not guarantee a specified preference or even a reserved space.

Different types of users should reserve VSU facilities utilizing the reservation procedures outlined below:

Registered Student Organizations (as defined in the VSU Student Handbook)
1. Each organization will be allowed two (2) Event Coordinators to make reservations. No other member is allowed to make requests through the event request form (R25) at www.valdosta.edu/eventservices. If you would like to update the two Event Coordinators that are able to make requests with Event Services or the Student Union, you will need to fill out an Event Coordinator Authorization Form on Campus Connect.

2. Event Reservation Coordinators must use their Valdosta State University email account for all reservations, cancellations, and other correspondence between the reservations office. All other email accounts will not be acknowledged or accepted.

3. Each event coordinator for the organization is required to complete the mandatory Blazeview Event Coordinator Training. Once training has been completed, the Event Coordinator will then have access to the event request form (R25).

Please note that no paper or phone requests will be accepted. Any walk-ins will be directed to a computer lab to complete the online event request form (R25).

5. After submitting the online form, an Event Request Summary will be emailed to the event coordinator verifying receipt of the request. This email is not a confirmation of the space; it only verifies that your request was received.

6. When your event is confirmed, Event Services will email the Event Coordinator that submitted the original request that the contract is ready to be signed in the Event Services Office. Please review each contract thoroughly to insure all information is correct. During review, notify an Event Services student assistant if any revisions need to be made. If any revisions need to be changed after the user has signed the contract, please send the revision/cancellation to facility@valdosta.edu or come into our office to fill out a Cancellation/Revision form. Any revisions must be made within seven days of the event date.

7. Event Setups staff reserves the right to deny equipment usage for a group or event if it is programmatically or operationally difficult to accommodate. Reservation requests may also be denied if the organization or event is in direct conflict with the university’s mission, policies, or regulations (state or federal laws). All event contracts must be signed within two business days (48 hours), excluding the weekend, of the event. Failure to do so will result in cancellation of event and a policy violation.

5. When the event is confirmed, Event Services will intercampus the Event Coordinator an Event Contract to
review, sign, and return. Please contact facility@valdosta.edu if any revisions need to be made. The user should keep an Event Contract for their records.

4. RESERVATION POLICIES

Confirmations

- Space assignments are confirmed on first come first served basis. The reservation staff attempts to honor customer preferences but reserves the right to make judgments regarding the most appropriate space for an event.
- Event contracts are only sent to the identified event contact person.
- Reservations are not confirmed until Event Services issues an event contract signed by a supervisor.
Review the event contract; it provides detailed information about the reservation.

Do not assume that the requests have been confirmed, especially requests for multiple dates.

Please retain a copy of the event contract for your records and keep it on hand during the entirety of your event.

No events should be announced or advertised until Event Services has provided an event contract signed by a supervisor.

Repetitive Events

VSU Organizations and Departments are only allowed two (2) repetitive reservations, per week (Monday-Thursday) in all academic auditoriums. This will prevent monopolization of unique facilities, so that they may be available for all organizations throughout the semester.

VSU Organizations and Departments are only allowed two (2) repetitive reservations, per week (Monday-Thursday) for all outdoor spaces.

Denials

The reservation staff reserves the right to deny space usage for a group or event if it is programmatically or operationally difficult to accommodate. After the faculty advisor approves the emergency request, the organizations event coordinator is responsible for requesting the event online via the R25 scheduling program.

Major events (see page 24), fundraisers, and social events will not be approved as emergency requests; Set ups, A/V equipment, and personnel may not be available for emergency meetings.

Event Services reserves the right to deny an emergency request if there is inadequate time for the Event Services staff to process the request and notify necessary departments.

The violation will need to be signed by the Event Coordinator, President of the Organization, and the Advisor and be brought back by the deadline given. Failure to return the signed policy violation will result in the cancellation of all requests.

If a group collects two policy violations within a semester, the group will lose reserving privileges in the University Center, Student Union, and Campus Spaces. For one semester, the group will no longer be allowed to request any spaces and all previously scheduled events will be cancelled.

- The Event Coordinator shall be present throughout the event and function as a contact for Valdosta State University’s Office of Event Services.
- Valdosta State University strictly enforces Georgia’s liquor laws and no person may sell, furnish or give alcohol to any person under the age of 21. Consequently, alcohol will be permitted at Valdosta State University only in those settings which comply with state and federal law, local ordinances and this policy.

- The Event Caterer must have necessary alcohol licenses, supply a certified or licensed bartender, and provide beverage set ups.
- All alcoholic beverages must remain inside the reserved or designated event space during the actual event. On-campus event sites must be confirmed through Event Services with a VSU Event Contract.

Valdosta State University will determine the number of personnel needed for the event.

**It is understood that Valdosta State University personnel are not responsible for service for any time period other than that stipulated by the contract and access is not provided for times other than the time period specified by the contract.

Custodial Costs
Events requiring custodial service during the event will be charged per hour per person.
Personnel will be present 1/2 hour before and 1/2 hour following event. The number of personnel required on site will be determined by the Assistant Director of Campus Services. There is a minimum of 2 (two) hours per person.

UC Setup Cost
Any event at the University Center requiring setups after hours or on weekends will be charged per hour per person for a minimum of 2 (two) hours. Any staging, equipment, or props that are not in house must be approved in advance by the Event Services Operations Manager and must be removed at the end of the event. To ensure the safety of users and to prevent damage to the facility and equipment, users are not permitted to set up their own event - NO EXCEPTIONS.

Security Costs
For events expecting a large audience, the contract will also include an hourly charge for University Police officer fee. The number of personnel will be determined by University Police. There is a minimum of 4 hours per person.
**Extended Building Hours**

- Early access requests can be made through the Event Services Office. These requests are designed to accommodate confirmed events where start and/or end times exceed posted normal operating hours for each building. Early access is determined by the actual time the user would like access to the facility.
  
  For example, on Saturdays the University Center is scheduled to open at 8 am. The user's program begins at 8:15 am, but the user would like to arrive early to set up displays at 7:15 am. Even if the participants will not be here until 8:15 am, the user would be assessed an Early Access Fee because University Center Staff would need to be here early to permit the user access.

- Late Access Fees are determined by the actual time the users (and participants) have contracted to use the building.

Early/Late Access fees are $35.00 per hour and are billed in one-hour increments.

13. **BILLING**

**Billing Process**

Customers are charged for use of facilities, equipment, and services according to the fee schedules in this manual and will be handled as outlined below.

**Reservation Invoices**

- Invoices are created after the event and payment is due within 30 days.
- Invoices may be paid with check, money order, University accounts, or exact cash amounts.
- Checks should be made payable to Valdosta State University. Payments can be mailed or delivered to the following address:

  Event Services Office  
  University Center North  
  1500 North Patterson St.  
  Valdosta State University  
  Valdosta, GA 31698

- All outstanding invoices after 90 days will result in a reservation hold preventing your organization from making new reservations.
- Should a student organization fail to meet the financial obligations, the organization will be referred to The Dean of Students Office for the proper processing in accordance with the Student Organization Handbook.
