How to Access the Event Coordinator Authorization Forms, Fundraising Request Forms and Fundraising Financial Disbursement Forms on Campus Connect.

If you have any questions, please contact Alisha Stabler in Student Life.
Visit the Valdosta State University Homepage and select the dropdown window on the right hand side of the page.

From the dropdown window, scroll down to the Student Organization link and click on it.

Once you have arrived at the Campus Connect website, click on the Login link in the top right hand of the window.
To login to Campus Connect, you will use your BalzeVIEW username and password. You must be a member of the VSU campus to login to Campus Connect.

Once you have successfully logged in to Campus Connect you will be taken directly to the main page. From the main page, if you scroll down directly under the Events and News Board, you will see a scrolling area for News posts. Click on the button on the right side of the screen that says “All News”.

You will then be taken to a screen with a listing of all of the news articles that have been posted. Scroll down and the “Event Scheduling Information and Forms” article will be the very last one listed. You may have to go to the next page if necessary.
Once you are taken to the “Event Scheduling Information and Forms” news article, you will see a description of each form and the link to each form. To proceed to any form, simply click on the name of the form and you will be directed to a new window to begin filling out the form.
