Maymester Study Abroad Program in the

**VALDOSTA STATE UNIVERSITY**  
DEPARTMENT *of* POLITICAL SCIENCE

# CZECH REPUBLIC

*Come explore with us!*

Picture yourself basking in the culture of the Czech Republic. Visiting castles, cathedrals, and other historic sites. Then enjoying the countryside as you travel to other countries to create memories for a lifetime. This dream can become reality through participation in our Study Abroad Program. Each year during Maymester many students from across the university set out for three wonderful weeks in the medieval town of Olomouc.

You will study at Palacký University, which was founded in 1573 and is one of the oldest and most highly respected universities in the Czech Republic. While there, you will attend lectures and discussions given by Czech and VSU faculty on such topics as Czech History, Politics, Culture, and the European Union. You can earn six hours of upper level credit in Political Science, History, or International Studies.

The program includes guided field trips to local historic sites, as well as three long weekend excursions. You will travel to Krakow in Poland to visit Auschwitz/Birkenau, as well as the 800 year-old Wieliczka Salt Mine. There is also an optional trip to the beautiful city of Budapest, the capital of Hungary. Finally, you will spend a couple of days in the fascinating and ancient city of Prague. The cost of the trip includes round-trip travel between Atlanta and Olomouc, and all transportation for required field trips. It also includes accommodations in Olomouc, Krakow, and Prague, and travel insurance.

**Financial Aid can be applied to this program!**
