Dan “King Gimp” Keplinger is an artist with cerebral palsy. He has earned two bachelors degrees, an MFA, and has won an Oscar for his 1999 documentary about his life. Dan gives lectures around the United States as well as internationally at places such as: The United Nations, University of Maryland, Kennesaw State University, Tyler School of Art, and Johns Hopkins University. There will be a viewing of Dan’s film in the Student Union and he will be making prints in the VSU Printmaking Lab at the University Center. Come check him out!
