The **DRAWPROJECT** is an annual Drawing Invitational Exhibition serving as a fundraising event for Valdosta State University Art students hosted each year by our friends at the Annette Howell Turner Center for the Arts, Valdosta GA. Money raised from this event supports 2 scholarships benefitting Valdosta State University Art students. The **Annette Howell Turner Center for the Arts Scholarship** is awarded annually to support a VSU junior art, design, or art education major for meritorious production in the classroom and a commitment to service within the community. The **Danielle B. Harmon Student Merit Scholarship** recognizes departmental art majors for superior classroom and studio performance.

We invite artists from the community, region, and across the nation to contribute work for the exhibition. Our aim is to offer a variety of images and styles for all to see and buy. This show is always fun due to the eclectic nature of the exhibit content and the variety of artists featured. Some artists have produced works each year for the exhibit; some have been featured fewer times, or only once. Sales of artworks are through bids. All works begin with a minimum bid. If a bid reaches \$150, the works are moved to an open auction near the conclusion of the reception. Works that do not sell at the opening reception may be purchased for the minimum bid price for the duration of the exhibit.

Each year, we ask interested artists to interpret the concept of "drawing" and create an original artwork to exhibited and donated for auction. Works may feature various media or techniques but should remain true to a contemporary interpretation of drawing. Drawings must be completed on a 15" x 22" sheet of paper. Artists may select a paper stock if they are using a specialized media or may request paper from the Department of Art at Valdosta State University. This year, we will select up to 50 pieces to frame for the exhibition / auction.

*If a large number of contributions are received, we will have these works for purchase, but due to limited space may not be able to frame and hang all submissions within the exhibition.*

**Each artist participating will receive a printed catalogue from the exhibit.**

### **When shipping drawings please include:**
