

LCOBA Summer Study Abroad Germany 2015

June 28th to July 26th

Participating in the “Business in Germany” program will offer you the opportunity to gain greater understanding of international business practices in Germany and enhance cross-cultural understanding . From our host city of Karlsruhe, we will visit world class companies such as Mercedes, Hewlett Packard, Siemens, Europe-Assistance, etc. Cross cultural understanding will be fostered by visits to historically significant places in the border region to France, as well as with visits to Nuremberg and Munich. Earn class credit and ***Discover the World!!!***
