# BLAZER CAREER PARTNERSHIP PROGRAM

---

The VSU Office of Career Opportunities serves approximately 12,000 students and countless number of alumni with extensive education, experience, and professional development.

Our goal is to provide employers a simple and direct way to enhance the visibility on campus, strategize recruitment solutions, and develop rewarding relationships.

Our Blazer Career Partnership Program is an *exclusive* opportunity to assist the employers with achieving the ultimate goal of finding qualified talent for your job and internship opportunities.

Furthermore, the support will allow us to continue to develop, enhance, and implement innovative career development programs and services so that VSU students and alumni are prepared to contribute to employer's success.
